Greetings To Our Community:

On a previous FaceBook post I indicated we would return to our Weekly Ad. It was not without hesitation on our part, simply because we weren't sure we would have product. Well, we should have waited another week or two. The halibut sale this week will not happen, orders were cancelled because of no product in the warehouse. So, we have ordered product for this week's ad, however...don't expect miracles, sorry.

On a good note, we are still restricting access to LOCAL residents only, ensuring what we do receive will stay in our community. We are still temporarily limiting quite a few products and will ease up as supplies replenish. We have put tape on the floors by the checkstands for "Social Distancing," and we did notice most customers doing this on their own. We Thank You!

From all of us at R&S Market, THANK YOU for understanding.

Please Help Keep Our Senior Citizens Home and Safe

If you see a red paper in the window of a neighbor's home, it means they are in need of supplies. Signs are available at R&S Market, the Vernonia Health Center, and the Post Office.

Thank you to Kinnel Steward for donating these handcrafted masks for our employees
