Purr-fect Pals

Coming into the shelter at 17 weeks old, Fable is ready to meet the world. She is very fun and loving and loves to spend time playing with her littermates and cuddling up with them. Due to her age we would love to see her either go home with one of her littermates or be placed in a home that has an already established, social, friendly male cat. If you're looking for playful and fun this is your girl. She is already spayed, treated for fleas and worms, microchipped, and all she needs now is a new home to call her own.

If you are interested in meeting her we ask that you please email adoption@columbiahumane.org in order to obtain an application. Once you have an approved application on file we will then set up a time for you to come and meet her. Her adoption fee is \$125. We prefer email communications as most of our daytime is spent caring for the animals that we have in the facility. We are able to answer emails in the evening.

Featured Dog

Please welcome Eugene to the CHS family. What this guy is missing in size, he makes up for with his sweet heart. He is about a year old and weighs around 30 lbs. He can be very shy when he is first meeting new people and experiencing new things, so we would like to place him in a home with a very sweet female dog that is confident and able to teach him all the right things to do in life. He has been exposed to cats and seems to do well with them. We are unsure how he is going to do with kids so if he is placed with them they should be a little older and calmer. Training will be a must for the family that accepts Eugene in their life. This guy is pretty much a blank slate that is ready to be taught what the world has to offer. If you are interested in meeting him we ask that you please email adoption@columbiahumane.org in order to obtain an application. Once we have an approved application on file we will then schedule a time for you to come and meet him. *Please note that generally any adoption phone calls are not returned.* Due to time constraints and small staff, we generally answer emails in the evenings when we are at home as our days are spent in the kennels working with the animals.
