

## In Memory of...

**Margarethe B. Bobowski**

education in the nursing field in the Katowice community and later changed career path as a secretary. Margarethe resided in Germany with her daughter and family for 22 years, until 2003, when she then moved to the USA to join her daughter and has since resided in Oregon.

Among her special interests, Margarethe enjoyed gardening and cooking, especially German and Polish foods. She enjoyed beach trips with her family, and the tulip festival. Margarethe was blessed with one great-grandson Benjamin whom she absolutely adored, her "Herzele und Sonnen Schein". Margarethe was a loving, gracious, and an amazing mom, grandma, and great-grandma to us all.

Survivors include her daughter and son-in-law, grandchildren, and great-grandson.

To sign the online guest book or to send a condolence to the family go to [www.fuitenrosehoyt.com](http://www.fuitenrosehoyt.com).

Fuiten, Rose & Hoyt Funeral Home in Vernonia is entrusted with the arrangements.

Margarethe B. Bobowski, 83, a resident of the Vernonia community, died Thursday afternoon, July 7, 2022 at her home.

A Celebration of Life Service was held on Saturday, July 16, 2022, at the family home in Vernonia. Private Family Interment was held on Friday, July 15, 2022, at Vernonia Memorial Cemetery, 2080 Bridge Street in Vernonia.

Margarethe Barbara Bobowski was born April 24, 1939, in Bytom, Poland. After graduating high school Margarethe proceeded

## PCC Offers Fall Term OMIC Classes

PCC is excited to be offering this set of classes for our upcoming Fall Term at PCC OMIC in Scappoose. Below are the classes that will be offered:

### Mechatronics Certificates

Are you employed in the manufacturing sector but need to update your electrical skills or broaden your understanding of Programmable Logic Controls (PLCs)? The PCC OMIC Training is offering two Non-Credit Training Certificates (NCTC) with Continuing Education Units (CEU). Contact [francois.wevers@pcc.edu](mailto:francois.wevers@pcc.edu) or 971-722-1801

### Electrical Technician Certificate

The areas covered are print reading, servicing of control system, and power wiring, including DC, 1-ph, and 3-ph control and power systems taught according to NEC and NFPA regulations.

### PLC Control Specialist Certificate

The areas covered include PLC hardware, wiring, and programming for advanced applications, HMI programming and networking, troubleshooting network errors for technicians and control engineers.

### Pre-Trades for Advanced Manufacturing

The Pre-Trades for Advanced Manufacturing program is a less than one-year certificate designed to expose students to the skills and hands-on training to pursue training and a career in the manufacturing trades. This 16-credit certificate will provide students with the foundations in safety and math, an OSHA 30 safety certification, and hands-on exposure to welding, machining, and Programmable Logic Controllers (PLCs).

### Machining Manufacturing Classes

The PCC OMIC Training Center offers a variety of short-term certificate and degree options in

machine manufacturing technology. Students will have access to advanced machining technology and professional machinists ready to guide you as you hone your skills through hands-on experience. Contact [machine-tech-advising-group@pcc.edu](mailto:machine-tech-advising-group@pcc.edu) or 971-722-4155

### Welding Technology Classes

PCC OMIC Training Center offers flexible welding training designed to help develop the skills you need to start a career or help sharpen your skills. This program is housed in our OMIC welding lab. With 13 certificates you can complete in less than one year. Contact [amurphy@pcc.edu](mailto:amurphy@pcc.edu) or 971-722-7665

### Computer-Aided Design & Drafting

The PCC CADD program teaches you the skills to help launch a successful mechanical design and drafting career. You can start or continue your training toward a one-year certificate.

### Adult Basic Education

Interested in improving your reading/writing or math skills to prepare for college, get a better job, or pass the GED exam? PCC offers two Columbia County-based classes to help you achieve your goals: Foundations of Math 2 and Advanced Integrated Reading & Writing.

### Community & Continuing Education

#### MIG Welding for All

Are you interested in giving welding a try? Community Education welding is open to everyone and a great way to learn basic welding through PCC Community Education.

## Bridge Street Bits

By Karen Miller

TALK ABOUT BRAIN EXERCISING, my head was swelling with all the impressive information I was taking in while chatting with KELLY JARMAN, our Senior Center

Certified Personal Trainer, who comes to our building twice a week, Mondays and Wednesdays. She leads, along with helper MARGARET BROWN, a fun-filled, co-ed class that can't wait to meet the next time, judging from all the laughter and interaction emanating from our exercise room. Kelly specializes in balance, memory, flexibility, stretching, using light weights, and brain games during these classes and also is certified in working with seniors with Parkinson's and light strokes, holding a certification from the National Academy of Sports Medicine qualifying her to work with people of all ages. So rest assured Kelly means it when she says

"We want you here for fun and interaction!" Pop in at 10:30 on those days and hear about other class options as well.

AH YES, THERE'S NOTHING PUZZLING about what goes on around here. Well, unless you try to out-time some of our seniors like PAT RAY and our puzzle races. We have some sharp senior brains that participate in Kelly's classes and her brain games!

THANKS TO ALL WHO DONATE AND PATRONIZE OUR BARGAINS ON BRIDGE STREET THRIFT STORE. All income goes to support our senior programs. Check out our hot deals on our Facebook page Bargains on Bridge Street. We had a great day thanks to many, at our outdoor sale Saturday, June 9.

SPEAKING OF SENIOR CENTER FUNDRAISING, you might be interested in joining in on securing a table to sell your wares on our

Senior Center grounds August 20 (table fee goes to the Center). Please call CAROLINE ANDERSON at 503-429-0388 for all the info. Spaces are limited, so call today!

LASTLY, TAKE NOTE OF OUR SENIOR PICNIC, held here at our building August 12 for those 60 and older only. Just bring your fun, laughter, and stories. All else will be provided by the Senior Center. Of course, music and door prizes will round out the day. Don't miss it!

SENIOR SIGN OFF: Trust others. But bring your own deck of cards.

See ya' around town...
