Readers Lend Their Voices...

To The Editor:

Hey Vernonia, Letters to the Editor work! My letter published in the September 1st issue of *Vernonia's Voice* generated numerous responses from people interested

in helping at the Vernonia Pioneer Museum.

Due to the response we are able to continue to be open Saturdays & Sundays from 1 to 4 pm.

We still need volunteers, especially those interested in helping manage the museum.

Thank you all for the continued support in the Vernonia community and mak-

ing it a place we can all be proud to call home.

Contact the museum at 503-429-3713 or email at VernoniaMuseum@gmail.com if you are interested in keeping this jewel of Vernonia alive.

Purr-fect Pals

Chalupa is a 1.5 year old fun loving little girl. She doesn't really love change and takes a little while to settle into her new surroundings. Once she is settled in though she does great. She is very talkative and would love to be a lap cat in her new home. If you are interested in meeting her we ask you to please email adoption@columbiahumane.org in order to obtain an application.

Featured Dog

share his toys. He is friendly with cats, however he does like to chase them and play rough. If you are interested in meeting Toby we ask that you email adoption@columbiahumane.org in order to obtain an application. His adoption fee is \$250 which includes his current vaccinations and treatment for fleas and worms.

We would like everyone to meet Toby. He weighs around 24 lbs, and he enjoys going on car rides as long as he gets to bark at people walking by. Toby is a pretty funny guy; he can be reactive when he meets new people but if you give him the opportunity to meet you on his terms and not invade his space he does well. Toby is very playful, he loves his toys and he loves to chew. He is very food motivated and will make an older person a great companion. We recommend that he not be placed with children under the age of 12. His potential adopters will need to be aware that he does have allergies so he will need to be on a daily medication that costs around \$75 a month. We also have him on a salmon-based food that helps his itchy coat. Toby does ok with other dogs, but would rather not have to live with another dog full-time. He is a little spoiled and doesn't always like to
