AMONG THE CHURCHES

Evangelistic Meetings in Progress at Christian Church.

UNION SERVICES NEXT WEEK

Presbyterians Organize Adult Bible Class—Topics for Discussion at the Various Churches During the Week of Prayer.

Jesse Kellum, aged seventeen, and Harold Humbert, aged sixteen, are conducting a most interesting series of meetings at the Christian church. Both of these young men are students of the Eugene high school. They are remarkably successful in their chosen work as minister and singing evangelist, respectively. Mr. Kellum can not well help being a preacher, for his mother and father are both ordained, successful preachers. Mr. Humbert's work, as a chorus leader and soloist, adds greatly to the interest of the meetings. His father is financial secretary of the Eugene Bible University. His parents, also, are both ordained ministers. Large audiences attend the services. There have been a number of accessions.

Twenty-five persons met at the home of Mr. and Mrs. Herbert Eakin, Wednesday evening, to effect the organization of an Adult Bible class, in connection with the Presbyterian Sunday school. The officers who had been serving under the temporary organization were re-elected. A constitution was adopted and signed by the following persons: Rev. Selden C. Adams, Mr. H. O. Thompson, Mrs. C. P. Jones, Mrs. H. O. Thompson, Mrs. Iva Bedell Adams, Mrs. A. C. Kinter, Mrs. Minnie Price, Mrs. Carrie Hemenway, Mrs. Mary E. Robinson, Mrs. M. Veatch, Mr. Marion Veatch, Mr. C. P. Jones, Jr., Mr. A. C. Kinter, Mrs. H. Venske, Mr. H. Venske, and Mrs. H. Eakin. The class meets each Sunday morning in the Mizpah room of the Presbyterian church at 10 o'clock. A cordial invitation is extended to all adults not otherwise connected with Sunday schools to join in the study of the life of Jesus. The Rev. S. C. Adams is teacher and vice president, Mrs. H. O. Thompson, president, Mrs. Herbert Eakin, secretary and treasurer. Committee chairman will be appointed this week.

At the Presbyterian church next Sunday a New Year sermon will be preached in the morning, subject: "Thy Will Be Done." The Session will meet at the close of morning worship to receive new members. A general union prayer meeting will be held at 6:30 preparatory to the union service to be held in the Methodist Episcopal church. Union Young People's meeting at Christian church. For further evening services see notice of union meetings.

A service not common to the local Methodist society takes place in the church on Sunday morning at 11. There occurs at this hour the first annual roll call of the membership. As the names are called answer may be made by personal word, passage of scripture, verse of hymn or answering "present." Everyone on the record should make an extra effort to be present or send written response. Sacrament of Lord's Supper at the close. Some will partake of this meal for the first time. Reception of members on confession of faith. The grand old songs of Zion are to be sung. Bible school at 10. The new Supt., T. B. Simeral, in charge. A class of young men will be organized by Robert Sutcliffe. All fellows not connected with any other school welcomed. Come and enjoy this feast of good things.

On Sunday evening, Jan. 2, the anxiously awaited, much prayed for union services commence. They will continue until the 9th, with the exception of Saturday. There is to be praise, prayer, testimony at each gathering also an address by one of the preachers. All evening meetings commence at 7:30. There follows the list of assemblies, speakers and some of their subjects. Sunday evening at the Methodist church, Groat, "The Church's Cry to God and His Answer;" Monday evening at the Methodist church, Sutcliffe, "Why am I not a Christian?" Tuesday evening at the Christian church, Adams, "Men Wanted;" Wednesday evening at the Christian church, Elkins, "Young Men Away From Home;" Thursday evening at the Presbyterian church, Sutcliffe; Sunday evening at the Christian church, Elkins. On Sunday evening at 6:30 a general prayer meeting will be held at the Presbyterian church and a young people's prayer meeting at the Christian. A very hearty invitation is given to all the citizens to attend as many of these meetings as possible.

Cottage Grove, Dec. 29.—My Dear Editor: The community is deeply indebted to you for the several exhortations you have given those in charge of public buildings concerning the obey-

ing of the recent state law that all entrance doors shall open outward. Many valuable lives would still be with us if this wise rule had always been on the statute books of the various states and had always been enforced. I would say in this connection that all the doors of the Methodist Episcopal church conform to the law in every particular, so that none attending need have fear of being caught in a death-trap should fire break out. Thanking you for the space I have used in making this statement.

Loyally yours,
ROBERT SUTCLIFFE.

ASKS BRIDGE FROM COURT.

New Row River Road Will Receive Necessary Improvements.

Petitions addressed to the county court are in circulation asking that a bridge be built across the Row river on the new highway from the Currin bridge through the Currin, Stocks and Spray ranches to the river at a point two miles east of Cottage Grove. It is proposed to improve this new road by placing crushed rock thereon, the county court having assured Mr. Spray that a crusher would be furnished free, provided the ranchers would haul the rock and distribute the crushed stone upon the road. This will be done and a permanent road is thereby assured. The distance from the Currin bridge is two miles. It is proposed to expend something like \$600 in its improvement, and more if the prayer of the petitioners for a bridge is granted.

Celebrate Golden Wedding.

Mr. L. F. Wooley and family went to Eugene on Wednesday to attend the golden wedding anniversary of his parents, the Rev. and Mrs. C. A. Wooley of that city. This estimable couple were married in Missouri, and came to Oregon in 1865, residing in Benton county, then at Lebanon, and coming to Lane a few years later. The Rev. Mr. Wooley, who is well known to this community, has preached the gospel for fifty-one years, retiring from active service less than a year ago.

New Smelting Process.

Mr. A. Nelson of this city has discovered a new method of smelting ore by electricity which promises to prove of great merit. The process may be tested in the Bohemia district, the electric energy being generated from natural waterpower.

Roseburg will do some more paving this year under the same old system, the property owners paying half, the city the other half, issuing bonds; \$35,000 was issued in the first contract. The next will be \$40,000.

MERCHANTS ARE WORKED.

Smooth Young Man Secures Money Fraudulently at County Seat.

During the holiday rush of last Friday and Saturday three mercantile firms of Eugene were "worked" to the tune of \$100 in the aggregate by a smooth individual posing as a logger and representing himself to be Ross Hill. He purchased small bills of goods at three different stores then paid for them with a check for \$30 purporting to have been drawn by R. W. Martin, manager of the Mohawk Lumber Company, and then getting the difference between the amount of the purchase and the face of the check in cash from the merchant. The fraud was not discovered till the checks were presented at the First National Bank for payment, they were found to be worthless.

LOSS WAS NOT HEAVY.

Fire at Doughnut King's Place Caused Some Excitement.

The fire department was called out at 12:30 Wednesday noon, an incipient blaze having been discovered at the bakery of T. R. Parker. The volunteers responded promptly, but their services were not needed, the blaze having been extinguished by buckets-full of water. The fire originated from a spark lighting on the roof. The loss was approximately 80 cents, fully covered by insurance in old line companies.

Should Have 300 More.

Cottage Grove people should bear in mind that The Sentinel publishes all the local news, and also that it needs the support and co-operation of every citizen in order to maintain the pace it has set. It should likewise be remembered that Cottage Grove enjoys the distinction of having the largest weekly newspaper in the state outside of Portland, and that its efforts are in behalf of the community in which it is published. Under the new management in the neighborhood of 150 new names have been added to The Sentinel's subscription list, and a large number of names are being enrolled each week, but there are at least 300 hundred people in this immediate vicinity who should be subscribers that are still delinquent. These we want, and these we must have.

To Banquet Antlered Tribe.

The Big Noise Committee will entertain the local Elks and a few invited guests tonight after the street performance with a splendid banquet at Woodman hall. Chairman Lawson has appointed Messrs. Parker, Johnson and Sly to prepare the banquet, which is assurance that nothing will be wanting.

A Stove that has Out-lived over a half Century of Active Competition.

Temporary Causes such as liberal advertising sometimes creat a demand for an article for a time, but only genuine merit can maintain as the Charter Oak has for fifty-five years, the popularity and the prestige it has to-day. This is the secret of their constantly increasing sale.
