### They Certainly Answer the Gift Question

Probably there is someone on your Christmas list for whom you cannot decide upon a suitable present. It may be Mother or Father or perhaps some close friend. Oftentimes it is difficult to find a worthwhile gift for someone near to you.

### KRYPTOK GLASSES

Why not give a pair of Kryptok Glasses, the invisible bifocals, and make this Christmas a lasting one? Kryptoks eliminate the eye-glass troubles of all who wear, or ought to wear, bifocal glasses. Come in and ask us about our Kryptok Gift Certificate Plan. It simplifies the giving of a genuinely useful present.
