Distinction

For those who desire glasses of distinction, comfort and good looks, we have several styles of rimless eyeglasses and spectacles. Either of these types of glasses is inconspicuous, and adaptable to persons of any age.

Our clientele is built on Service. Besides supplying and fitting glasses we have experienced optical specialists, who make every eye examination. You can be confident that their examination is as thorough and scientific as can be made.

We shall be pleased to make an appointment to examine your eyes at your convenience.
