International News and Comedy.

High School News

Miss Lea plans to take the botany and general science classes on a field trip one day this week. They have been unable to go before because of unfavorable weather.

The members of the agriculture class who made the trip last week are enthusiastic about the benefits they received. They also enjoyed seeing the tag of war between the freshmen and sophomores at O. A. C.

Several high school students are attending junior week end at Oregon this week.

The high school added two more scalps during the past week to their baseball championship belt by defeating Springfield on Friday by a score of 13 to 2 and Eugene on Saturday by a score of 9 to 6. Both games were played on the home field.

Lucile Davidson and "Bud" Coffman, both members of last year's class, have been visitors at school this week.

The juniors hope to make some money for their necessary expenses at a candy sale this evening.

The members of both the boys' and girls' basketball teams received their

letters at an assembly Tuesday afternoon. Letters also were given to the boys of the track and baseball teams.

The comedy, "Mrs. Briggs of the Poultry Yard," was presented at Dorina Wednesday evening. It will be presented here tonight under the direction of Mrs. Hemerway.

The juniors expect to entertain the seniors some evening next week in American Legion hall.

The junior and freshman girls played an exciting game of baseball Monday evening. Due to lack of support and interest, the junior class was unable to put a very strong team in the field, consequently they were defeated. The score was 27 to 19.

The upper classmen gave a delightful party to the lower classmen Friday in the armory. The program began with a track meet in which the sophomores won first place and the juniors second. Effie Hepper gave a delightful reading, Brighton Leonard a pleasing song and Elmer Knowles and Leonard Marechek, accompanied by Doris Hehlman, played a saxophone duet. A 25-minute dance concluded the program.

The Hi-Y club on May 9 elected officers for the next year as follows: Brighton Leonard, president; Dwight Buchanan, vice president, Robert Gal-

loway, secretary-treasurer. The Hi-Y is planning an even bigger season for next year than it had this.

The freshman class held a candy sale Saturday on Main street and enriched their treasury to the extent of \$25.

Several high school boys are playing on the Cottage Grove baseball team this season.

Class meetings were held by all four classes Monday afternoon. The main business was the passing out of tickets for the play to be given Friday night.

The baccalaureate sermon for the graduating class will be given Sunday evening in the Methodist church by Rev. A. R. Spearow.

CHURCH NEWS

Christian Church—the "home-like" church—J. E. Carlson, minister—Bible school at 9:45, classes for all ages; junior congregation at 11; intermediate and senior C. E. at 7; regular preaching services at 11 and 8.

A Curie of Radium.

Mme. Curie's modest autobiography omits mention of one single honor that more than anything else will help make her name immortal. The official scientific designation of the unit of radioactivity is named in her honor the "curie," and the degree of radioactivity is expressed in millicuries, centurics and so on up the metric system scale. In selecting Mme. Curie's name scientific bodies have followed the well-established custom that accounts for the introduction of such words as ohm, watt, ampere, etc. into our language—all of them the names of inventors or discoverers.—Delincoeur.

Fair Grounds Purchase Endorsed.
The purchase of the Lane county fair grounds on the ballot Friday for the approval of the voters, has

been approved by resolution of the Lane county agricultural council, of which H. C. Wheeler is president and P. B. Harlow secretary. It is understood that every graunge of the county has given its approval of the purchase.

Free Methodist Conference Here.

The annual conference of the Free Methodist church will open Wednesday in the Methodist Episcopal church and continue until May 27. Bishop Clark, of that church, will fill the Methodist Episcopal pulpit the following Sunday forenoon and evening and at an afternoon missionary meeting Rev. Baker, a returned missionary, will speak.

The plagiarist doesn't think what he says.

Funeral of Charles W. Sears Held.

The funeral of Charles W. Sears, whose death was recorded last week, was held Tuesday from the chapel, Rev. Walden, pioneer preacher, officiating. Interment was in the Sears cemetery.

A hen cackles like all get out after she has laid an egg, yet she never takes the trouble to turn around and admire what she has done.

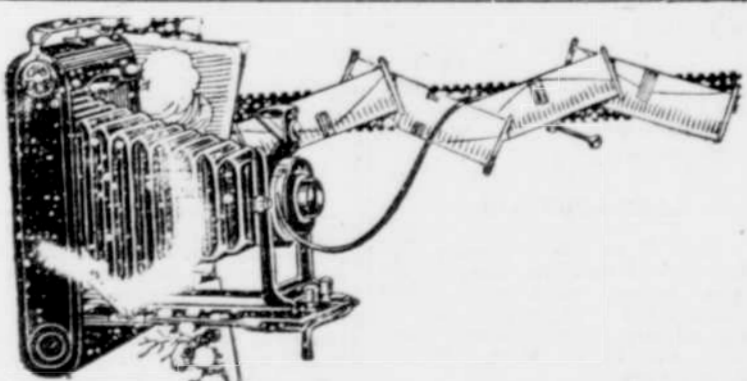

The hypocrite may hide his hypocrisy under prayer but his confidence in the power he prays to can not be very great if he thinks He does not discern the cankered heart underneath.

A Nice Thick Steak

—sirloin or porterhouse cut, or a round roast—which shall it be for dinner tonight? You need have no concern about your meat dinner not turning out right if you order your meat at this market.

The Sweetest Story Ever Told

—the most interesting story—is the story without words, as told in the kodak picture—the story of a pleasant day with friends at your home, in the woods, on a motor trip, or elsewhere. A kodak picture keeps forever green these high spots of life. Never be without a kodak, whether at home or elsewhere—and always get them at The White Pharmacy.

The Story of Our States

By JONATHAN BRACE

XXXVIII.—COLORADO

is the most precious of our states, for in the mining of gold and silver it sur-

passes all other States, producing about one-third of the total output of the entire country. In fact, its real history starts in 1858, when gold was first discovered.

Prior to that time there had been but little settling in this region. Spanish explorers had traversed the country in the latter part of the Eighteenth century, and laid claim to it. As a part of the Louisiana Purchase it came into the possession of the United States in 1803. Officers of the United States army were sent out to explore this wilderness among whom were Lieutenant Pike in 1806, and it was after him that Pikes Peak was named. In 1819 Colonel Long made extensive explorations and he was followed in 1842 by Fremont, whose activities in the Mexican war brought him into much prominence. At the close of the Mexican war, Mexico ceded her rights to this territory to the United States, but it was considered a barren waste and unattractive for settlers.

Then in 1858 came the discovery of gold in the bed of Dry Creek, a few miles south of where Denver now stands. The following spring tens of thousands of men flocked into what was then called the Pikes Peak country. In 1859 Denver became a town of one thousand inhabitants, and by the next year had grown into a big city with newspapers, theaters, and a government mint.

In 1861 the Territory of Colorado was created and in 1876 Colorado was admitted as the thirty-eighth state of the Union. Its area is 103,948 square miles and its population entitles the state to six presidential electors.

The name is taken from the Colorado river, and is a Spanish adjective meaning "colored red." Colorado is often called the Centennial State, as it was admitted to the Union just one hundred years after the Declaration of Independence.

ONLY ONCE IN A LIFETIME

—does a boy or girl graduate from high school. It is an outstanding event in the life of the boy or girl. So also is it in the life of the parents—an event which they wish to remember with a present to the girl or boy that will be a daily reminder throughout the life now opening before them of the love and sacrifices of parents which made the event possible. Each parent may have ideas of his or her own as to the most appropriate gift, but here are a few suggestions:

Nothing is more appropriate than a bracelet watch for the girl. They come in a variety of new and charming styles that make them a real personal adornment as well as a necessity through the busy life before the recipient. They are priced from

\$16 to \$60

For either boy or girl, nothing can be a more permanent reminder of happy school days left behind than one of our 18 karat white or yellow gold rings with a diamond setting. They are priced from

\$15 to \$75

OTHER SUITABLE GIFTS

are Cuff Links, Watch Chains, Lavalieres, Pearls and Brooches. Any gift of jewelry is both appropriate and permanent. A girl might appreciate a set of silverware, of which we have the largest selection in the city, or even a few pieces of a set, which would solve gift-giving for the parents for some time to come.
