MRS. SUTCLIFFE'S PUPILS SHOW REAL PROFICIENCY

One of the most delightful and enjoyable musical programs ever given here by young musicians was that Thursday night of last week by piano pupils of Mrs. Bessie Sutcliffe. The seating capacity of the high school auditorium was not adequate for the number who attended.

The number which stood out above the rest undoubtedly was Thelma Kent's solo, "Shooting the Rapids," by Rolfe. She is a 12 year old pupil. Other of Mrs. Sutcliffe's pupils who were on the program were Beatrice and Edith Leonard, Hester Heard, Bertha Howe, Donald Umphrey, Leonard Durham, Beulah Smith, Frances Mackin, Genevieve Woodard, Esther Long fellow, Lucie and Elba Hamrick, Alice Kent, Max Sears, Esther Evenson, Alberta Williams, Leo Brand, Wayne Vench, Gordon Wright, Maxine Nelson, Donna Bartell, Daisy Bennett, Geneva Kime, Ethel Lambert, Myrtle Hubbell, Dorothy Kurre, Sibyl Vench, Elsie Chestnut, Lenora Hubbell, Geneva Shattuck, Vesta Alstott, Marion Richmond, Lynn Walker and George Brand.

The pupils were ably assisted by Mrs. Leon DesLarzes, Miss Lillian Lewis, Miss Lucille Davidson, Brighton Leonard and Leslie Hull, vocal soloists.

Many of the pupils showed marked proficiency for the length of time they have been students and there seems little doubt the growing generation will maintain Cottage Grove's reputation as an artistic center.

Mrs. Sutcliffe was deeply touched by a testimonial of the love of her pupils in the form of an immense bouquet of sweet peas and feathery asparagus.

FAX CLUBS TO GROOM MAN FOR GOVERNORSHIP RACE

Portland, Ore., May 26.—The Oregon Tax Reduction clubs at the state convention to be held in Salem July 4 and 5 may bring out a candidate for governor. This may happen when the delegates assemble, declared J. C. Cooper, president of the clubs, today. Mr. Cooper and several of his committee members held a meeting this afternoon to talk things over.

"We hope to have address the convention," said Mr. Cooper. "Henry Ford, General Dawes and Gifford Pinchot, all authorities on economics, and from their advice, the convention will get a lot of ideas which they can put into practice on the second meeting. These speakers are programmed for July 4 and there will be no politics discussed on that day. The second day the convention will get down to business and, possibly, nominate a man for governor—no one can tell what the regularly elected delegates will do."

Mr. Cooper admitted that while Messrs. Ford, Dawes and Pinchot have received invitations to speak they have not yet accepted, nor is there any assurance other than hope that they will come.

The Salem convention is to be a hand-picked affair for the call explains specifically that "delegates only who are favorable to the organization program will be seated." If all goes according to program, there will be a convention of 294 delegates, selected by the county conventions to be held June 24.

COUNTY WILL PAY STATE IN HIGHWAY CONSTRUCTION

Final agreement on the part of the Lane county court to pay to the state highway commission approximately \$60,000, which is due on grading work done by the commission on Pacific highway through Lane county in 1919 and 1920 and which amount has long been in controversy, was reached last week and two members of the county court signed the agreement, Commissioner Emmett Sharp refusing to sign, claiming that the bill was unjust. The signatures of County Judge C. P. Barnard and Commissioner M. H. Harlow were affixed to the document.

As the county has no available cash in any fund with which to pay this bill the payment will be made in highway work, to be completed by the first of October, 1923, according to the agreement. The county will pay the entire cost of the construction of two stretches of highway in which the county and state had agreed to cooperate "50-50" and when the work is completed and the costs paid by the county the debt to the state commission will have been wiped out.

Jones Given 20 Days to File

Walter B. Jones has been given 20 days more to file a bill of exceptions and 30 additional days to file his transcript of appeal in the judgment in circuit court against him for contempt, according to an order of Judge G. F. Skipworth.

DETOUR AROUND PAVING AT GOSHEN IS ARRANGED

A second detour around paving operations on Pacific highway between Goshen and Crosswell has been arranged for by the county court. Aside from the detour through a field along Canas swale to get around the paving operations that have already started on the swale section, the court has arranged to divert traffic around the short stretch of new pavement immediately south of Goshen. This detour is about a mile and a half out of the way but the roads are good. Going south, traffic will be diverted from Goshen over the pleasant Hill road east and south for about a mile, thence west back over a road that enters the highway a short distance south of Goshen.

The Independent Asphalt Paving company has already started the work of grading the highway on the unpaved portions preparatory to laying the concrete.

Knocks Out Patrol Tax

Roseburg, Ore., May 26.—Oregon's fire patrol tax law was today declared unconstitutional by Circuit Judge J. W. Hamilton, in handing down a decision in the case of the First State Bank of Sutherlin against Kendall brothers.

The law which applies to all delinquent patrol taxes in the state was pronounced invalid because it carries no opportunity for a hearing for those who have any protest to make regarding the assessment and collection of the tax.

The law was amended by the recent legislature and as it now stands a hearing is provided but the law covered by the decision is the one under which assessments between 1919 and 1920 were made. Unless a reversal of the decision is made by the supreme court, to which the case probably will be appealed, counties now having delinquent fire patrol taxes will be unable to collect the amounts carried on their books.

The total amount to be sent out is between \$63,000 and \$64,000. The distribution is at the rate of \$5 for each teachers' institute attendance certificate and \$5.00 for each pupil as shown by the last report of the clerk of the district and not the last school census.

Hall to Demand Recount

North Bend, Ore., May 27.—Charles Hall, who was defeated by Governor Ben W. Olcott for the republican nomination for governor by a small plurality, announces that he will demand a recount of votes in a number of precincts where he says he has reason to believe that the count was not properly made.

Lorane Takes Dorena into Camp

The Dorena baseball team was again taken into camp Sunday by Lorane, the game being played on the latter's grounds. The score was 13 to 4. This is the second game the fruit valley boys have won from the lumber camp boys, the first game being played at Dorena.

Some of the characteristics of the savage remain with the civilized man. The man who skins his friends can probably trace his ancestry back to some Indian who scalped his enemies.

RECOVERS JUST AS HE IS ABOUT TO GIVE UP JOB

Portland Man Says He Often Had to Lay Off Days at a Time Until Tanlac Entirely Overcame His Alarming Stomach Trouble.

"I was so bad off I almost gave up my job, but I feel just fine since taking Tanlac," said Andrew G. Krogness, 1140 E. 11th St., North, Portland, Ore.

"For over two years I suffered dreadfully from stomach trouble. Everything I ate would sour, I bloated terribly with gas and there was a burning just like a coal of fire in my stomach. My head ached fit to burst and I got so dizzy it was all I could do to keep from falling. I also had pains across my back so bad I could hardly stoop over. My sleep did me no good and I always got up with an awful bad taste in my mouth and feeling worse than when I went to bed.

"Six bottles of Tanlac completely rid me of my troubles. I now eat anything, never have a headache, have gained several pounds in weight and never lose a day from work. Tanlac sure is a great medicine."

Tanlac is sold by all good druggists.
