Every patron of The Sentinel is helping to give Cottage Grove a newspaper which eminent authority has stated to be one of the best country newspapers published anywhere.

The following offer is printed on shipping tags attached to all Empire tires we are now receiving.

\$1,000 Reward

Will be paid to anyone who can prove that Culp-Plan branded products at time of shipment are not absolutely "firsts"—current factory productions—high quality in every respect and thoroughly guaranteed for workmanship and material.

GEORGE K. CULP, Inc., Geo. K. Culp, president.

FREE!

MAG-LAC OFFER CONTINUED

Our special offer of a tube of Mag-Lac Tooth Paste free with each tube purchased is proving unusually popular. In order that none may be slighted and in order to get this high class toilet necessity introduced into every home in the Cottage Grove country, we are continuing the special offer a few days longer. Get yours today, for our supply will be soon depleted if the present rate of sale continues.

Mag-Lac contains milk of magnesia which, as every dentist knows, is the best corrective of acid mouth—the principal cause of tooth decay.

Mag-Lac Tooth Paste corrects acid mouth and thus prolongs the life and beauty of the teeth. It also cleans and polishes, besides having a most pleasant taste. We know that once you use it, it will always be your choice. That's why we are so anxious to get it introduced.

OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week
Briefly Sketched for Information of Our Readers.

During May the state land department paid over to the state treasurer \$126,899.48.

During the month of May more than 60,000,000 feet of lumber were shipped by water from the Columbia river.

Present indications are that the wheat crop in Union county will be good, according to H. G. Avery, county agent.

The battleship Connecticut will be brought to Portland for the Rose Festival, June 20 to 23, in addition to six destroyers.

Several hundred acres of grain are reported destroyed by grasshoppers in the Tule Lake district near the California line.

Dr. M. H. Ellis, prominent physician and citizen of Albany for almost 40 years, died at his home in that city, aged 64 years.

A band of horses stampeding at Graveyard crossing on the O-W. R. & N. near Haines, resulted in the death of eight, five being race horses.

Five hundred men will soon be at work on the state highway surfacing job between Myrtle Point and the Roseburg section, it is estimated.

The city of Coquille will vote on June 20 on a bond issue of \$20,000, the money to be used on Rink creek to heighten the reservoir dam 10 feet.

The public service commission is requested to repeal its order for a 5-cent fare in Portland and restore the 6-cent rate, in a resolution adopted by the Portland Federation of Women's Clubs.

Gerald, 4-year-old son of Mr. and Mrs. Comli Hays of South Baker, was instantly killed when the lad was run over by a freight car being switched on the Sumpter Valley railroad at Baker.

Two loggers, Walter Wheeler, a hook tender of Kirby, and Alfred H. Mueller, a faller of Nehalem, were the only two men to lose their lives in the 446 accidents reported to the state industrial accident commission during the week ended June 1.

Half of Prineville's business section was wiped out Thursday by a fire which started in a frame apartment house and swept away five blocks, causing a loss estimated at \$350,000. The authorities suspect that the blaze was of incendiary origin.

Russell Hecker was indicted by the circuit court grand jury of Clackamas county, charged with the murder of Frank Bowker, Portland musician, whose body was found in the Calapooia river after nearly a week's search, which started April 14.

From the standard four-year high schools of Oregon, 3676 students will be graduated this year, and 53 per cent of these, or 2133, will be girls, according to J. A. Churchill, state superintendent of schools. The total enrollment in these high schools is 29,235.

A million and a half trout eggs have been received by the Roseburg sportsmen's league from the state fish commission. The eggs were sent to the Rock Creek hatchery, where the fry will be cared for until large enough to release in the waters of the North Umpqua.

In order to build up the livestock industry of Klamath Falls, practically demolished during the war because of excessive prices offered for beef, prominent cattlemen of Klamath county are shipping in 10,000 head of beef cattle to be distributed over a number of ranches.

The Pacific Power & Light company of Portland has filed with State Engineer Percy Cupper an application for permission to use 8000 second-feet of the water of Snake river for power development of ten power plants along the Oregon, Idaho and Washington banks of the river.

Rates charged by the New York Central and connecting lines on pulp and paper making machinery, shipped from eastern points to the plants of the Crown-Williamette Paper company at West Linn and Camas, were found unlawful by the interstate commerce commission and reparation was ordered.

One of the largest military bands in the United States will be taken to Camp Lewis, Washington, by the Oregon national guard for the summer encampment, June 15 to 29. It is announced by Captain L. A. Milner, regimental adjutant of the 162d infantry. The band is composed of 66 pieces.

Mrs. Theodore Taylor paid a fine of \$15, after pleading guilty to a charge of assault and battery on Nora Davis, a school teacher, near Drain. Mrs. Taylor is alleged to have become indignant over the fact that her boy was "kept in" after school. She went into the schoolroom, took possession and proceeded to "beat up" the teacher who was responsible for holding the boy to his lessons after hours.

Sugar and Potatoes

We have just received one carload of each.

Will make a special close price on either for net cash.

Sugar has advanced twice since we bought and is probably going still higher.

Mr. and Mrs. Fred Frost and Harry Frost, of Blue Mountain, visited Monday evening at the W. D. Heath home.

Clarence and Brison Sears took their wool to Cottage Grove Monday.

THERE'S just one reason why we handle these famous tires—because they never fail, when renewal time comes, to bring our customers back for "another pair of the same kind."

Safe on wet, slippery pavements, striking in looks, practically stonebruse-proof and puncture-proof, these miniature automobile tires for bicycles bring the greatest day-in-and-day-out satisfaction. Our line is complete and ready to inspect.

Look for this sign at Garages and other dealers

They will flush your crankcase with Castor Flushing Oil—safe, thorough—and refill with Zerolene for Correct Lubrication.
