BURNETT SAYS HE COULD NOT HOLD HIS JOB

Forced to Give Up Several Positions on Account of Rheumatism; Praises Tanlac for His Complete Recovery.

"I couldn't hold a steady job on account of rheumatism and had to give up several places, but since taking Tanlac I never have an ache or a pain in my body," declared E. J. Burnett, 5914 45th Ave., Southeast, Portland, Ore., machinist for the Singer Sewing Machine Co.
 "Rheumatism and stomach trouble held me down for ten years and I never expected to see a well day again. My neck pained me so bad that sometimes I couldn't turn my head without moving my whole body and I had severe pains all through my shoulders. My legs hurt me so bad I was often unable to walk a step and had to take to my bed. My stomach got so badly out of order that what little I did force down disagreed with me."
 "Tanlac went straight after my troubles and now I don't believe there is a trace of rheumatism left. I can hardly get enough to eat, sleep fine and do as big a day's work as ever. I certainly recommend Tanlac highly."
