

NEVER SAW ITS EQUAL, STATES MRS. BROWER

Portland Resident Says
No One Has More Reason
Than She to Praise
Tanlac.

"I've never seen such a change in anyone and I don't believe anybody has better reason for praising Tanlac than I have," declared Mrs. J. F. Brower, 662 E. 81st St., Portland, Ore. "Nearly all my life I had awful spells of sick headache that kept me in bed days at a time. My nerves seemed to collapse and I would almost go distracted over any little noise. Then about three years ago my stomach began to trouble me and I have simply suffered tortures from indigestion. I had to be extremely careful about even the little I did eat for gas made my heart palpitate until I could hardly breathe.

"I took Tanlac because a friend told me how much good it did her. Now I feel so well in every way I can't tell there was ever anything the matter with me and I gladly give this statement in the hope that others may profit from my experience."

Tanlac is sold by all good druggists.

J. H. Baker, prop. blacksmith shop, 942 W. Main St., Cottage Grove, says: "I have used Doan's Kidney Pills with benefit and am glad to endorse them. I was troubled with attacks of kidney trouble and my back was weak and lame. My kidneys annoyed me, too, by their irregular action but Doan's Kidney Pills always helped me when I used them for these ailments, strengthening my back and kidneys."

Beaver Feed Mills are operated by Paine, Standish and Whiting, three experts recently in the employ of Kerr, Gifford Co. Lane county grains are used in all products possible—this means saving of freight on grains which were formerly shipped to Portland, made into feed and freighted back to Lane county. All feeds are scientifically balanced to best suit their purpose, and will be put on the market under the label "Beaver." We are exclusive agents in Eugene, Springfield, Cottage Grove and Lebanon for these feeds. None can excel our quality—few equal it—and the price is right.
