It Always Pays to Trade at Gray's

BEAVER FEEDS—Only the best grain used in their manufacture. The formulae are the results of years of investigation, experience and trial by Mr. Standage, one of the proprietors of Beaver Feed Mills.

BEAVER FEEDS cost less than other high grade feeds because Gray's Cash and Carry Stores take a large part of the output in the four cities, and Gray sells on a very small margin of profit. The Beaver Mills save freight by using Lane county grains wherever possible.

QUALITY AND PRICE are bringing home the bacon—Beaver Feed Mills are working night and day.
