OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week
Briefly Sketched for Infor-mation of Our Readers.

Mrs. May F. Schultz has been ap-pointed postmistress at West Linn.

Mrs. Margaret K. Shields has been appointed postmaster at Bancroft, Coos county.

Strict enforcement of the Salem curfew law was announced by Verden Moffitt, chief of police.

Twenty-eight towns and 45 Epworth leagues were represented at the first annual Falls City institute.

The postoffice department has au-thorized an additional force of 15 clerks for the Portland postoffice.

The Richardson Gap cheese factory, located about six miles southeast of Seio, was destroyed by fire Monday.

Wounds suffered when a bull attack-ed and gored Frank Lendolt, 40 years old, at his home near Mohler, proved fatal to him.

Thus far this season 130 tons of loganberries have been shipped through the Oregon Growers' associa-tion from Canby.

Owing to the drought, red spider or some other cause the hops in the Mount Angel vicinity will not be over half an average crop.

Linn county farmers are beginning to cheer up as the harvest season progresses. Yields of grain are prov-ing better than expected.

The 54th annual Oregon Baptist convention was held at Columbia city, with more than 100 delegates in at-tendance at the conference.

The Roseburg Country club has de-cided upon the erection of a club house on the property recently acquir-ed a few miles north of the city.

Members of the Oregon supreme court doffed their official robes Tues-day for their annual vacation. The court will resume its duties Septem-ber 1.

Herbert Hoover, head of the depart-ment of commerce, has telegraphed to Governor Olcott, suggesting a state organization in Oregon for the market-ing of coal.

George Polund Putman, New York publisher, will head a party of auth-ors and journalists to the 1923 Round-up to be held at Pendleton September 21, 22 and 23.

The water in the Columbia river has reached the stage where fish wheels in the gorge can operate no more for the season. The spring catch has been large.

Prisoners in the Lane county jail hereafter will be turned over to the county roadmaster for work on the public roads and other county proj-ects, the county court has decided.

Fat cattle are scarce in Umatilla county due to the late spring and the lack of good early range feed. Ship-ments which generally are moving fast at this time are still very few.

Members of the 483d company, coast artillery corps of the Oregon national guard of Albany, have received drill pay covering the first six months of this year amounting to nearly \$2000.

Orchardists of Marion and Polk counties have declared war on rab-bits and probably will ask the coun-ty courts of the two counties for financial assistance in exterminating the pests.

George Howard, who was in the state penitentiary at Salem awaiting execution for the murder of George Sweeney, in Malheur county was re-turned to the latter county for resent-encing Saturday.

The silverides are putting in an ap-pearance at Astoria this year much earlier than usual. Trollers operating outside the Columbia river are making good catches, some boats getting as high as half a ton.

The Oregon Growers' Co-operative association, with headquarters in Sa-lem, handled approximately \$2,000,000 worth of fruit during the last year, according to a report made pub-lic by the association.

At a mass meeting of citizens of La Grande and Union county a resolution was adopted placing the section re-presented squarely behind the proposed merger of the Union Pacific and Cen-tral Pacific railroads.

Doubling of the acreage of potatoes which growers seek to have certified for seed purposes is reported by Fred Bennion, Umatilla county agent. The certified acreage last year was 219. This year it will be about 500.

Owing to the dry spring that pre-vailed along the Oregon coast this year, the hay crop is unusually light for Tillamook county, although there is a fairly good crop of oat hay which will relieve the feed question some.

The Cove cherry—Bing, Lambert and Royal Anne—rarely has exceeded its 1922 output in quality, size and quan-tity. The picking, packing and ship-ping season opened with full crews and under fine weather conditions, July 17 and will close with a harvest of between 75 and 80 carloads from the two fruit houses.

OVERLAND, ALWAYS A GOOD INVESTMENT. NOW THE GREATEST AUTOMOBILE VALUE IN AMERICA

Will You
"Buy a Car"
or Invest in
an Overland?

There's a Difference

Of course, you can't afford to be without a car. But what car are you going to buy? Let's con-sider car value for a minute. Primarily you want transporta-tion. Then what?

You will want a car that will wear, a car that will not cost much to run and next to noth-ing for repairs. You want a car that is fully-equipped, and easy to operate.

Above all you want riding-com-fort and good looks.

The Overland at \$550 gives you all of these and more. Triplex spring big car riding comfort—25 miles to a gallon of gasoline.

That's why Overlands are being sold as fast as the factory can de-liver them.

Why not let us help you com-pare values before you buy your car?

How The Master Driver Became Master Tire Builder

I N 1903, driving the "999" racing car, Barney Oldfield started his career of victories that later earned him the title of "Master Driver of The World." To over-come the tire weaknesses that made racing difficult and dangerous, he studied tires—specified materials—supervised construction.

American tires that have ever taken first place in the French Grand Prix. They have won for three consecu-tive years in the 500-mile Indian-apolis Sweepstakes. So far in 1922, Oldfields have lowered four World's Records and seven track records.

The Wichita Test Run gave evi-dence of Oldfield superiority in tour-ing—when a set of four Cords cov-ered 34,525 miles over rutted, frozen, winter roads—a performance at-tested by the Mayor of Wichita.

See your dealer and get a set of these rugged tires that Barney Old-field has developed and perfected through a lifetime of practical tire experience. Their performance will convince you that they are "The Most Trustworthy Tires Built."

RED ROSE BRAND ICE CREAM

is made from milk, milk solids, butter, sugar, pure food gel-atine and flavoring—all emulsified by steam before freezing. Here are mankind's most essential foods. When your sweet tooth calls for ice cream let your wis-dom tooth specify RED ROSE BRAND.
