DEPOSITING BY MAIL

WHEN forwarding checks to the bank for deposit, don't indorse them in blank—that is by simply signing your name on the backs. If they should then become lost, anyone might make collection. Indorse them "payable to Bank of Cottage Grove."

We are carrying many "by mail" accounts here—and are always glad to receive inquiries about opening and maintaining either Checking or Savings Accounts in this way.

Glasses for Children

Not long now until school begins. If your child needs glasses it is high time you were attending to the matter.

To wait until they have begun their studies means suffering on their part, and less time for correct fitting.

Bring them here any day, and rest assured they will be kindly, carefully, and scientifically treated.
