### ROAD BOND RECALL TO BE \$24,000 O. EGON'S PART ON NOVEMBER BALLOT

Lane county citizens will be called upon at the November election to decide whother or not any more bonded rounds will be built in the county. A petition bearing approximately 1700 names has appeared at the office of the county clerk and the measure providing for the recall not be seed to be not supposed by the family be federal state foresters in the ballot at the November election to the primary last May the movement was started and had gained counsed way in the work.

The Seventy-fourth birthday inniversity of Mrs. H. R. Godard, of this state, necording to the family are represented. When the measure of the county clerk and the measure providing for the recall in overall the state, necording to the supposed will appear on the ballot at the November election from fires to the primary last May the movement was started and had gained counsed edoposition all over the county of the decision of the voters. Prior Godard was also the oldest opposition all over the county was the condition was later withdrawn frow the company may be made that the recall movement was started and had gained counselvent of the primary last May the movement was started and had gained counselvent to the primary last May the movement was started and had gained counted by the condition of the decision of the voters. Prior Godard was also the oldest considerable way in the work.

Construction work entried on in this base of the position will be lautuched against the plan by the Lance County (indeed that the recall movement was started and had gained counselvent of the county will run from 30 to 40 tons, as already being delivered. Just at the company men has been completed, when the real movement was started and had gained counted that the reverse of company men has been completed. When the real movement was started and had gained counted that the reverse of the county of the primary last way the movement was started and had gained counted the county of the primary last was the county of the county of the primary last was the county of the p dications are that a determined oppo-sition will be launched against the plan by the Lane County Good Ronds association which will at once start action to fight the recall movement. The association believes is not to the best interest of Lane county, and that the road program is of paramount importance to the prosperity and development of the county as a whole.

The promoters of the recall petition are George H. Bogue, of Eugene, and William Holliston, of Creswell, who were the two members of the recall committee who filed the petitions. Other initiators are J. S. Wells, Eugene, R. F. D. No. 2; Welby Stevens, Springfield; and George Plank, June-tion City, R. F. D. No. 2. The plan when it was launched last

spring drew the fire of the good roads advocates and at a mass meeting held at the chamber of commerce, a deluge of arguments were directed against the proposal to curtail the extensive program that has been drafted for increase in the Lane county road facil-

Those behind the movement to recall the unused portion of the bond issue take the stand that taxes are too high and that the elimination of the remaining \$1,500,000 of the block would serve to ease the burden.

Following is the petition filed: "Be it enacted by the people of the state of Oregon within and of Lane county—Section 1—That certain local law of the county of Lane, proposed by the county court of said county April 23, 1920, on the petition of Frank Taylor and others, and sub-mitted to the voters of said county at a special election called by the said county court and held May 21, 1920, providing for the issuance of serial bonds of said county to the amount of two million dollars for the construction of certain roads in said and orders of said county court appertaining thereto or in pursuance thereof, repealed, cancelled and an wives should remember to by in an wives should remember to by in an piece of steel from a sledge which the wood choppers were using entered the wood choppers were using entered the main in full force as to the bonds actually sold to bona fide holders prior to the time this act

takes effect.
Section 2.—All local laws of said county and parts thereof, and all orders of the county court, and all officers and agents of the county are forbidden, after this act takes effect to sell or offer for sale any of said

### PROLONGED ILLNESS ENDS LIFE OF PIONEER

Children Survive.

Bowers Allen, who passed away at her home two miles east of the city Mon-day night, were held yesterday mornng from the family home at 10 clock. Rev. Nathan Walden, of the Baptist church, officiated and interment was made in the Shields cemetery Mrs. Allen was born March 24, 1852, in Indiana, and was more than 76 years old at the time of her death. When still a small child she crossed the plains with her parents and has lived in Lane county ever since. In 1863 she married Love Allen and 13 children were born to this union. Of this number, eight of whom were boys and five girls, seven are now living. They are Dan, John, James and Robert Allen, Susan Oliver, Hattie Trent and Rosa Martin, all of whom live in or

near Cottage Grove. Mrs. Allen has been ill for some time

#### LANE COUNTY SURVEY TO BE RESUMED THIS FALL Tuesday.

survey of Lane county under the di-rection of experts representing the Oregon Agricultural college wal probstart late in the fast, according to a communication received from W L. Powers, professor of soils at the state college. The survey, which is planned to include every county in the state, will result in the plotting of a map under government supervision, showing the quality and chemical content of each ten acre plot of the state.

The work of surveying the soil of Mrs. Love Alien Laid to Rest Thursday
in Shields Cemetery; Seven
Children Survive.

Lane county started last year, but the
work was postponed until other sections of the state were completed. The state college official states that the Funeral services for Mrs. Elizabeth county as the next geographical division wain as a defendant in the Duncan to be mapped, as the interest manifested among the farmers here is an indication that the information is desired as to the soil values of various districts of the county.

Word has also been received that George W. Kable, drainage specialist of the Oregon Agricultural college, is preparing a display for the Lane county fair. The exhibit from the county fair, and the control of the answer, however, will be ready within the specified 10 days.

In the meantime it is expected that state college will contain maps and illustrations of various drainage and irrigation methods. Professor Kable will personally supervise the display

#### "SHORTY" PHELPS LEAVES TO ACCEPT TILLAMOOK JOB

Lester "Shorty" Phelps, for several years manager of the furniture department of the Knowles & Graber Hardware and Furniture store, left Wednes-day morning for Tillamook, where he has accepted a similar position in a furniture and hardware establishment. Phelps has been active in church and Masonic work here. His mother, Mrs. Amelia Phelps, will continue to maintain their home here. A farewell was tendered Mr. Phelps Tuesday evening by Masonic brothers and business friends at the Bartell.
