

## EDDY SPEAKER AT MEETING OF REPUBLICANS

State Mass Gathering of Party in Eugene Is September 9; All Day Session Planned.

Senator B. L. Eddy, of Roseburg, one of the most forceful speakers and most admired men in the Oregon legislature, will deliver the principal address at the mass meeting of Republicans to be held at the courthouse in Eugene, September 9. The session will last all day, probably culminating in a banquet in the evening and a call has been issued to all the Republicans of the state and particularly all legislative candidates, hold-over senators and the congressional committeemen of the party to be present.

In speaking of Senator Eddy, Colonel W. D. G. Mercer, member of the state central committee in whose hands Walter L. Tooze, chairman of the committee, has placed the task of arranging the meeting, says:

"No man in Oregon has a finer combination of character than Senator Eddy. He is recognized as a strong, forceful character by all his colleagues in the Oregon legislature. He possesses two qualities rarely found together—especially in the arena of heated debate—namely, the judicial temper and the capacity for swift and resolute action. His varied experience has given him wide horizon and sympathy with every aspect of human life, and his penetrating mind goes right to the heart of any subject he selects and strips off the irrelevant at once."

### DOMESTIC SCIENCE DEPT. GIVEN ELECTRIC STOVE

A four-burner Acorn electric stove, made by the General Electric company, has been presented to the domestic science department of the Cottage Grove schools by the Mountain States Power company and will be installed in the practice house for use by the classes in domestic science in time for the opening of school September 11. The stove is equipped with a large-sized oven.

### Grading of Cloverdale Road Done.

The grading on the Cloverdale road south of Goshen was finished yesterday and macadam work will be started at once. About 10 days will be required in which to complete the mile of macadam surfacing yet to be done on the job. Not only has the improving of the road been a help to the farmers of the Cloverdale district but the change of the route has made it a more convenient highway.

NOTE—The Red Top tin contains Velvet that has recently been delivered from the factory. It is in fresh condition—cool and smooth to a pipe.

Each tin of  
**Velvet**  
TOBACCO  
with the RED TOP

contains freshly made tobacco. Just right for your pipe.

And the mild smoothness you enjoy is the result of Velvet's two long year's ageing in wooden hogsheads. Patient ageing in Nature's way—the right way of removing raw harshness and bite.

You'll say that Velvet is cool, smooth and "sweet as a nut" in your pipe.
