

COMING TO EUGENE

Dr. Mellenthin

SPECIALIST

in Internal Medicine for the Past eleven years.

DOES NOT OPERATE

Will Be at

Osborn Hotel
Wednesday, Sept. 20th

Office Hours: 10 a. m. to 4 p. m.

One Day Only

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Oregon. He visits professionally the more important towns and cities and offers to all who call on this trip free consultation, except the expense of treatment when desired.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, senility, leg ulcers and renal ailments.

If you have been ailing for any length of time and do not get any better, do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

Address: 336 Boston Block, Minneapolis, Minn. S115pd

OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week Briefly Sketched for Information of Our Reader.

Prune picking will begin in Marion county in about two weeks.

The state lime plant at Gold Hill is now operating on a self-sustaining basis.

Baker and Union counties will hold a joint teachers' institute at Baker, October 11 and 12.

Eight La Grande citizens are ill with typhoid fever due to the use of well water for drinking purposes.

The Clatsop county agricultural fair will be held at the port terminal in Astoria from September 19 to 22.

By the middle of next week Salem will have spent approximately \$80,000 in the improvement of streets this year.

The new milling plant at the La-belle mine, near Granite, in Grant county, will be ready for operation November 1.

The salmon season on Rogue river has ended. The season from the gill-netters' view, as a success was far below average.

The annual meeting of the Oregon Purebred Livestock association will be held in Salem, on the night of September 27.

The Union county court has let a contract for the grading and other preparatory work on three miles of the Island City-Cove highway.

Receipts of the Portland postoffice for August this year were \$178,974 as compared with \$156,769 in August last year, a gain of \$22,205, or 14.2 per cent.

Petitions from the business men of Oregon City urging the city to maintain a paid fire department consisting of four men, have been granted by the city council.

Forty-one children, grandchildren and other relatives of William Goin, Oregon pioneer of 1864, gathered at Jefferson park near Albany for a reunion Sunday.

Thirty postmasters, of the third and fourth class, representing the Oregon branch of the National League of Postmasters, held their annual convention in Portland Friday.

Thirty-five homesites and six clubhouse sites have been laid out on the west shore of Diamond lake by Fred W. Cleator, recreational engineer of the forest service.

A head-on collision between two Southern Pacific freight trains near Oakland resulted in a small amount of damage to the engines and the complete wrecking of one freight car.

Henry A. Vaughan, 48, son of A. L. Vaughan, a pioneer farmer of Walterville, Lane county, died at Houston, Tex., as the result of a bullet wound in the head, inflicted by a Mexican.

A report issued by the port of Astoria shows that in August 33 vessels loaded or discharged cargo at the local terminals, whereas in the corresponding month last year there were but 12.

Shipping records of the St. Helens mills of the McCormick Lumber company shows that 24 vessels cleared from St. Helens harbor in August carrying cargoes totaling 17,169,197 feet.

The newly constructed \$6000 pavilion at the new Jackson county fair grounds at Medford, containing one of the largest and best dance floors in the state, was formally opened last week.

Clark R. Jackson of Chehalis, Wash., ex-state tax commissioner, and Mrs. Linda Bolling Sturgis, cousin of Mrs. Woodrow Wilson, were married recently in Portland, where the bride has been living.

E. S. Tillinghast, for the past 17½ years superintendent of the Oregon state school for the deaf at Salem, has accepted a similar position in Missouri and will leave for that state about October 1.

George Howard, twenty-five, forfeited his life at the state penitentiary at Salem Friday for the murder of George R. Sweeney of Vale, two years ago. Howard was pronounced dead ten minutes after the trap was sprung.

Inspection of ranges in the forests for developing the forest service grazing plans is being steadily pushed and will be completed this fall, according to D. C. Ingram, grazing examiner of the United States forest service.

Clayton Kirk, secretary of the tribal council of the Klamath Indians and long identified with tribal affairs, was arrested by Justice of the Peace Snook of Chiloquin on a charge of introducing liquor on the Klamath Indian reservation.

A party of pathologists from the federal agricultural department, consisting of Carl Epling, Dwight Ferguson and Theodore Dykstra, have arrived at Astoria to launch a campaign for the destruction of the black current vines in that district in order to check the spread of the white pine blister rust with which these vines are alleged to be afflicted.

A compressor plant and engine is being installed at the Bay Horse mine on Snake river, Baker county, in preparation for increased production. The Bay Horse is a copper producer and has shipped 40 cars of smelting ore since May 1.

Fresh fruit is almost a glut on the market in the Rogue river valley, due to the fact that this section not only has the largest and finest fruit and vegetable crop in years, but that the state and entire country seem to be likewise fortunate.

A party of Indians from Umatilla reservation camping around Beaver meadows, near North Powder, furnished a thrill for forest service men when they cooked a bear barbecue style and treated the white man to one of its most relished dishes.

Proposals for the construction of a new high bridge to replace the present Burnside bridge and a viaduct to be known as the Ross island bridge, south of Hawthorne avenue, will be submitted to the voters of Portland at the November election.

Mrs. Clara McTaggart of Eugene has just received notification that she had been named as one of a board of 12 members who will act as a national committee of censors of moving picture films. She will leave November 15 for New York city to assume her duties.

Production from the 123 mills of the northwest reporting to the West Coast Lumbermen's association for the week ending September 6 was 2 per cent above normal and new business was 2 per cent below production, according to a report issued. Shipments were 14 per cent above new business.

A caravan of 26 Klamath Falls automobiles visited Merrill, 30 miles from Klamath Falls, and was greeted by more than 200 Merrill citizens, who served their guests with a dinner. The purpose of the caravan was to promote greater understanding and friendship between the two communities.

Oregon pensions recently granted include Mary J. Stockwell, Marquam, \$30; Florence A. S. Watson, Portland, \$30; Sarah L. Wood, Coquille, \$30; Anna Guild, Portland, \$30; Lillie M. Wagner, Estacada, \$30; Martie V. Heller, Glendale, \$30; Lydia M. Clay, Medford, \$25.

J. H. Booth, president of the Douglas County bank of Roseburg, has deeded 6.8 acres of land lying along the highway more than a half mile, bordering on the South Umpqua river, to the state, the land to be used for a park site. The land is south of Vandyne creek about 15 miles south of Roseburg.

Judging teams of the boys' and girls' industrial clubs in the various counties of Oregon have been instructed to report in Salem Monday morning, September 25, to participate in the state fair, according to a letter mailed by the state superintendent of public instruction to all county superintendents.

The extension of the electric railway system on the west side from Corvallis to Eugene, aside from the completion of the Natron extension are among the early projects of the Southern Pacific company, when the present litigation is disposed of and the former plans of the company are allowed to materialize, said William Sproule, president, while in Eugene last week.

There were four fatalities due to industrial accidents in Oregon during the week ending September 7, according to a report prepared by the state industrial accident commission. The victims were Alfred Moullet, logger, Salem; H. Oberle, machinist, Portland; Herbert O. Byrnes, laborer, Portland, and Marion Waddel, laborer, Oakland. A total of 522 accidents were reported during the week.

The secretary of state has received from the department of agriculture at Washington a check for \$110,015.21, which will be pro-rated among the various counties of Oregon, based on the acreage of national forests. This money was received by the government from rentals and sales of national forests. The money is used by the counties for the maintenance of public roads and schools.

O. L. McIntyre of Fulton, Mo., and W. E. Taylor of Boulder, Mont., have filed applications with the state board of control to succeed E. S. Tillinghast as superintendent of the Oregon State School for the Deaf. In order to have sufficient time in which to consider filling the place made vacant by Mr. Tillinghast's resignation, the board has deferred opening of the deaf school this year from September 25 to October 2.

Options on several thousand privately-owned acres of the best timber in Grant county situated in the Bear valley section about 27 miles from Canyon City have been obtained by a middle eastern lumber concern, and it is reported this company has on deposit in a Portland bank sufficient funds to cover the purchase price of the \$90,000,000 feet, board measure, of timber, which will shortly be placed on the market by the forest service. Bend, it is believed, will be the location chosen for a large mill with a railroad extending into the belt.

"I knew him when he was a boy"

What one is there of us that has not felt the glow of satisfaction over the outstanding success of a life-long friend! Often a surprise—seemingly "all of a sudden." Yet neither surprising nor sudden, when you stop to think back over each step of his progress.

THE United States Rubber Company—makers of U. S. Royal Cords—were first to conceive, make and announce the balanced tire. A tire in which there is such complete unity of action in tread and carcass that neither will give way before the other.

First to conceive, make and announce a complete line of tires—a tire for every need of price and use under one standard of quality.

First to tell the public about the good and bad in tire-retailing. (You remember the phrase "Go to a legitimate dealer and get a legitimate tire.")

First also to arouse industrial and trade minds to the need of a new kind of tire competition. (Competition for better and better values. Greater and greater public confidence.)

THESE high spots along the U. S. road to leadership indicate the intent—the will to win by the quality route in a price market.

Now that so many car-owners have given their verdict for quality tires in general, and U. S. Tires in particular—a number of dealers and car-owners whose vision has been clouded by "discounts," "sales" and what not, are beginning to remember that they "knew him when he was a boy."

Chesterfields are too "different"—too unlike the average type of cigarette—to jump into popular favor over night.

But we believe Chesterfield's record for sustained steady growth surpasses anything in cigarette history.

In the long run, quality does tell.

Chesterfield

CIGARETTES

of Turkish and Domestic tobaccos—blended

WE state it as our honest belief that for the price asked, Chesterfield gives the greatest value in Turkish Blend cigarettes ever offered to smokers.

"They Satisfy"

A newspaper without an editorial page is like a ship without a rudder—and you are not willing to take chances on a ship with a flimsy steering gear.

Your wants may be few—provided you use Sentinel wintads. Read the editorials. You may not agree with them, but they are likely to

make you think, and that's worth while. No need to be in want—use a Sentinel wintad.
