HOW MANY WILL GIVE ONE DOLLAR?

WALTER M. PIERCE is making a gallant fight, almost single-handed, to be elected Governor of Oregon. He has no funds to pay the expenses of his campaign. The issue he makes is Reduced Taxes, and he promises, if elected, to use every power vested in the Governor to lessen the taxation that now rests so heavily upon the backs of the people.

No powerful corporations are behind Pierce; nobody but the plain people. His election depends upon them alone. Don't you feel it your duty to help him in his worthy fight by contributing One Dollar to his expenses? It isn't much for any one to give, but there are many plain people, and if you help a little the battle will be won. It will make a clean campaign and elect a clean man.

Please send YOUR dollar today, together with your name and address, and the contribution will be acknowledged by return mail.
