## OH! MY BACK!

The Expression of Many a Kidney Sufferer in Cottage Grove.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Don's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Cottage Grove proof:  
Mrs. Amanda Spriggs, 509 E. 1st St., says: "Don's Kidney Pills are not a new remedy to me. I had terrible backaches and could hardly get about and dizzy spells came over me, especially when I stooped. My limbs ached, my feet swelled and my kidneys acted too frequently but Don's Kidney Pills soon had me feeling like a different person. The aches and pains left and my kidneys did not annoy me."  
Price 60c, at all centers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mrs. Spriggs had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. o13-20

## His Rheumatism Has Entirely Disappeared

The successful treatment of rheumatism by taking Tanlac is one of the outstanding features of that remarkable medicine. Thousands of people everywhere have testified that it has brought them complete relief from this torturous disease. Edward Warr, 2529 Juneau St., Seattle, Wash., says:  
"I had all sorts of trouble with my stomach and was in pain day and night from rheumatism. I was completely run down and could hardly work. Tanlac overcame my troubles and fixed me up in great shape. I'm considerably heavier than I was and I feel fit as a fiddle all the time."  
When the digestive system, liver and kidneys are not working properly, uric acid and other impurities accumulate in the muscles and joints, causing rheumatism. Tanlac quickly overcomes this condition by enabling the vital organs to perform their functions properly. Get a bottle today at any good druggist. o12
