

POULTRY FARM TOUR TO GROVE PLANNED

A poultry farm tour in the vicinity of Cottage Grove is being planned by Ira P. Whitney, county agricultural agent, for an early date in November. E. J. Edwards, in charge of Smith-Hughes work in the local high school, is arranging a poultry day in connection with the trip to this vicinity. A program and basket social will be held during the noon hour, before and after which the poultry farms in the vicinity will be visited.

SMALL DAMAGES AWARDED WHITE IN DAMAGE SUIT

W. J. White was awarded \$1 damages and W. E. Nussbaum, whom White sued to recover for alleged damages in an automobile collision, was ordered to pay costs, by the circuit court decision in the case. Nussbaum, chief of the Eugene fire department, was charged by White with having damaged his car to the extent of \$200 in a collision on the highway north of this city last May. The case was appealed by White from the justice court to the circuit court.

L. N. RONEY for Commissioner

In submitting my candidacy for the office of County Commissioner of Lane county on the republican ticket in the general election to be held November 7, 1922, I desire to make certain specific and definite statements relative to what I propose to assist in accomplishing.

Lane County Taxes

Although state taxes for 1921 were practically the same in amount as they were in 1920, for Lane county, yet county and local taxes have actually been increased enough to make a \$32,000 net increase for the whole of Lane county for 1922. Thus we see that taxes in Lane county are constantly growing more burdensome, and the only way to reduce taxes is to practice the most rigid economy in the administration of county affairs in every detail of public expenditure. In my opinion, court house expenses can and should be curtailed. If elected, I shall use my best efforts to cut down court house expenses to the minimum consistent with efficiency and business requirements. All county court officers and employees of the county entrusted with the disbursement of county funds should be required to exercise the same economy in the disbursement of public money and the same efficiency in the discharge of their respective official duties as are required by private business enterprises in the conduct of their business affairs.

Market Road Fund

The present Market road law went into effect in 1920. Since that date Lane county has received from this market road fund \$55,918.00 in 1920 and \$56,146.00 in 1921 and \$56,242.00 in 1922, or a grand total of \$168,407.00 within the last three years. Just how much of this enormous sum has been transferred to other funds or otherwise diverted from the use contemplated by the law is not within the realm of conjecture, but certain it is that our market roads have not received the attention to which they are entitled; therefore, I am firmly of the opinion that market road funds should be expended on market roads—which are essentially farmers' roads—rather than on the Pacific highway, which is a state road.

Special Road Tax Fund

All sections of Lane county should receive their just proportion in the expenditure of road money. Special road tax money should be used only by the taxpayers who voted that tax. I am unalterably opposed to the shifting or transfer of such funds after they have been voted and assigned to the budget.

Road Maintenance

I am heartily in favor of road maintenance. The roads heretofore constructed should be kept in good repair and patrolled by men known to be vigilant in the enforcement of the law regulating the speed of automobiles and the overloading of freight trucks. These highly destructive abuses of our public roads can only be corrected by the constant and systematic attention of a vigorous and vigilant road patrol.

Road and Bridge Program

I do not desire to obtain a single vote by deception or through misapprehension, therefore it is right and proper that I should frankly

and openly state my position upon the road and bridge program of Lane county.

Bridge Building

I have followed the business of bridge building for more than 10 years. If elected I shall myself superintend—with the assistance of a competent foreman—the construction of bridges in Lane county. I can do so without interfering in the least with the other duties of the office and thereby save to the taxpayers of Lane county the salary now paid to the bridge superintendent. I am fully conscious of my ability to build bridges much cheaper than is now being done under the present management.

Extravagant Expenses

It is my candid opinion that the progress of Lane county depends largely upon the development of our county road system; therefore, we should at all times guard against extravagant expenses and strive to obtain a dollar's worth of work or merchandise for each dollar expended. Under the present management our roads and bridges are, in my opinion, costing entirely too much money and overhead expenses are out of all proportion to actual construction accomplished. I am decidedly in favor of a less number of road and bridge bosses, therefore, more or better roads and bridges for the same amount expended. For the past several years Lane county has employed a bridge superintendent at \$175 per month and a road superintendent at \$225 per month. Each of these superintendents has a foreman on each job under construction and these foremen receive a good salary. If elected it is my purpose to see that the taxpayers of Lane county shall receive substantial tax reduction by reason of the absolute elimination of all superfluous bosses and superfluous tax-eaters to be found on Lane county's payroll.

County-Owned Cars and Trucks

The five county-owned automobiles and two or more freight trucks should be used for county business only, not for pleasure, not for private business or by the families of county officials or employees. The unofficial use of these county-owned cars, together with the consequent consumption of county-owned gasoline, should be positively prohibited.

Platform Pledges

I desire that the people of Lane county shall know that I am under no obligation, pledge or promise to any officeholder whomsoever. I am not a member of any political ring or clique of any kind whatever. If elected I will perform the duties of the office without fear or favor and with due regard for the upbuilding of Lane county and the best interests of the taxpayers and I hereby solemnly promise to stand by and faithfully fulfill the above and foregoing platform to the very best of my ability.

L. N. RONEY.

Umphrey & Mackin
THE QUALITY STORE—GOOD SERVICE

You will want to attend the big Pumpkin Pie Festival at this store Friday, November 10th. Watch for further announcement. Store closed all day November 11.

SAN FRANCISCO MAN OPENS LAW OFFICES

N. S. Lee, formerly a practicing attorney in San Francisco, has secured a lease on rooms in the Taylor building at Seventh and Main street and will open up his law offices in this city soon. Mr. Lee came to Oregon in the summer with his wife and three children and were visiting at the home of Mrs. Lee's parents near Creswell. Soon after his arrival he became suddenly ill with appendicitis and underwent an operation from which he is just recovering. The operation prolonged the visit for some months and now the Lees like Oregon so much they have decided to remain.

W. C. T. U. Call to Prayer.

The call to prayer of the national W. C. T. U. will be observed on Sunday, November 12. An effort will be made for union church services upon that day. Pastors will be asked to preach upon law enforcement and world prohibition. Missionary societies and others have been invited to join

with the white ribbons in the observance of the day.

Bob Jones Attacked by Bull.

Robert Jones, son of Mr. and Mrs. J. I. Jones, narrowly escaped serious injury this week when attacked by a Jersey bull belonging to his father at the Jones home just south of the city. The animal had always been gentle and considered harmless. When untied and turned out of the barn the bull turned and charged on Robert, knocking him down and cutting a gash in his hip. With difficulty the young man was able to dodge the bull and reach safety in the barn.

C. E. Has Membership Contest.

The young men of the Christian Endeavor of the Presbyterian church are competing against the young women in a membership contest to continue for the next month. The losing side will entertain the winners with a Thanksgiving party. Mabel Martin and Evelyn Vench are captains of the girls and Robert Galloway and Marvin Alstott head the boys.
