**What Are You Going to Do About It?**

Without a business education you are greatly handicapped. If you are employed by others you have to have it; if you work for yourself you need it.

Monday is enrollment day and there will never be a better time than right now.

Our teachers have all had practical business experience in addition to their teacher training.

Our school is well equipped with modern office devices, such as bookkeeping machines, adding machines, calculators, mimeograph typewriters, etc.

**SOME GOOD ADVICE**  
STRENGTHENED BY COTTAGE GROVE EXPERIENCES.

Kidney disease is too dangerous to neglect. At the first sign of backache, headache, dizziness or urinary disorders, you should give the weakened kidneys prompt attention. Eat little meat, take things easier and use a reliable kidney tonic. There's no other kidney medicine so well recommended as Doan's Kidney Pills. Cottage Grove people rely on them. Here's one of the many statements from Cottage Grove people.  
Mrs. Alta Hart, 742 S. 1st St., says: "I have used Doan's Kidney Pills with benefit and am glad to recommend them. I had kidney complaint. My back ached and pained and I felt dull and run down and my kidneys didn't act right. A friend recommended Doan's Kidney Pills so I used them. Doan's were just what I needed as they helped me by relieving the back ache and other symptoms of kidney trouble."  
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hart had. Foster-Milburn Co., Mrs., Buffalo, N. Y. n24d1
