What Are You Going to Do About It?

Without a business education you are greatly handicapped. If you are employed by others you have to have it; if you work for yourself you need it.

Monday is enrollment day and there will never be a better time than right now.

Our teachers have all had practical business experience in addition to their teacher training.

Our school is well equipped with modern office devices, such as bookkeeping machines, adding machines, calculators, mimeograph typewriters, etc.

The three gasoline requirements for winter driving

If you're having trouble starting—if you sit in the cold and buzz-buzz your starter without result—then it's time to change to "Red Crown"—the winter fuel for motors.

Use "Red Crown" exclusively, and you get off at the first jump of the spark.

"Red Crown" vaporizes readily in the coldest weather. Fill your tank with "Red Crown" and nothing else, and you'll be rid of three-quarters of your cold-weather motoring troubles.

Fill at the Red Crown sign—at service stations, garages and other dealers.
