

## A Better Bank Service to You

It is becoming more and more evident that cooperation between the farmer, the business man, and the bank is necessary to the most satisfactory growth of either.

It is the principle on which real results are accomplished.

We appreciate the business with which we are favored. The best, most helpful, friendly banking service possible to be rendered is the expression of our appreciation.

## In Your Eyes

WHAT IS IT that is causing all that trouble with your eyes?

ARE THE EYE MUSCLES following those laws laid down by nature?

ARE THEY WORKING in harmony and without strain?

ARE YOUR EYE NERVES being exhausted and irritated by the natural demand made upon them by some form of eye strain that you have? I shall be pleased to set your mind at rest on these points.

REMEMBER there is no guess work in my methods.

MY YEARS OF EXPERIENCE plays the important part in each case.

### HAND AND SAUERS MEET IN THIS CITY FEBRUARY 3

Local fans will have an opportunity to see Ralph Hand, local middleweight, in action against Pete Sauers at the army in this city Saturday night, February 3, when Sauers will attempt to throw Hand two times in 75 minutes. Sauers, who is a pupil of Farmer Burns, held the light heavyweight championship of the world until Wednesday night, when he lost to Ted Tye in Portland, but many fans believe Sauers is the best man and that Tye will wear the belt only until he goes to the mat with the Nebraska boy again.

Sauers is also a brother of George Barnes, whom Hand defeated here July 4, last, and will probably want a little family revenge, so there is every likelihood that Cottage Grove fans will see a slashing go when these two horse crushers tangle.

An amateur wrestling preliminary and a four-round boxing bout are scheduled to precede the main event.
