Safe Banking

Safety of your funds and business interests at our hands is our most obvious duty to you.

But we go further than that.

We are so vitally interested in your business welfare as it affects our own community that we will go out of our way at any time to help make safe any interest you may have anywhere.

When we can be of service to you, call on us freely.

IT IS NOT WHAT I SAY BUT WHAT MY CUSTOM ERS SAY THAT HAS BUILT MY EXTENSIVE BUSINESS.

MY AIM from the first was to build a reputation purely on recommendation, and every day goes further to prove that I have accomplished this to my entire satisfaction.

REMEMBER my 20 years of experience. During that time I have been daily testing and examining every known form of eyestrain, and successfully relieved thousands of cases by correct glasses.
