Nothing could be farther from the truth. You can buy a genuine Thor for \$135 and pay for it on such convenient terms that the money it saves will pay for it as you use it.

Whatever you do, don't let a false impression prevent you from seeing and testing the Thor before you decide on any make. You want the machine that has given the greatest satisfaction, under actual working conditions, over the longest period of time and in the most homes—that machine is the Thor.

See it today! You won't need to be told that Thor washes clothes absolutely clean—that it will wash any fabric safely, quickly, at the turn of a switch! And think of the satisfaction of having your clothes laundered at home, in water free from other family washings!

Make no mistakes—visit the nearest dealer listed below and let the Thor itself convince you.

Thousands Go East This Way—

Since it affords an opportunity of stopping off at San Francisco, "The City Loved Around the World."

And it enables them to tell their eastern friends about this great and gay metropolis.

Then, too, a choice of routes and liberal stopovers induce many to go east through California.

WANTS

to establish a sales and service agency in this community

WILLYS-OVERLAND, INC., is the only manufacturer that produces two of the eight most popular cars in the world—the Overland—the Willys-Knight.

COMPARISON with other cars in the same price class as to materials, construction, riding qualities and economy of operation is but further evidence of the reason why there is such a demand for Overland and Willys-Knight cars.

75% of all automobiles sold today are of but three different makes! Overland is one of them. 90% of all automobiles sold today are of eight different makes! The Willys-Knight is another of them.

WILLYS-OVERLAND, INC., is the only manufacturer which, in the Overland and Willys-Knight, produces two out of the eight most popular cars in the world.

INVESTIGATE the used car market and you will discover that used Overlands of present design move at good prices and Willys-Knight cars are rare among used car stocks.

UNLESS you are familiar with the splendid performance records of the present-day Overland and Willys-Knight, you cannot fully appreciate the reason for the public preference for these two cars.

AND at their new prices, they offer sales possibilities greater than ever before in their history.

If you have or can command the facilities to establish a high-grade repair shop and local sales organization write

Minister Says It Has No Equal

Widely Known Baptist Divine Praises Tanlac for Restoration of Health.

It is doubtful if there has ever been a medicine endorsed by so many ministers of the gospel as has Tanlac. Indeed, there is scarcely a faith, creed or denomination in all the land in which one, or more, of the clergymen has not publicly expressed their indebtedness to the Premier Preparation for the benefits they have derived from its use.

One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely known Baptist preacher, residing at Mooreboro, N. C., whose statement follows:

"Tanlac has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to anyone who is in a run-down condition. For ten years past I have had such a severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very little sleep or rest.

"It seems that I took nearly everything I tried to get myself right, but nothing helped me until I ran across Tanlac. My nerves are so much better now that my sleep is sound and refreshing. I enjoy my meals and have also gained weight. I can say from experience that Tanlac is a splendid medicine and tonic, for it has built me up wonderfully.

Tanlac is for sale by all good druggists. Over 35-million bottles sold. m9

Unshaken Testimony

Time is the test of truth. And Doan's Kidney Pills have stood the test in Cottage Grove. No Cottage Grove resident who suffers backache, or annoying urinary ills, can remain unconvinced by this twice-told testimony.

A. Rogers, retired farmer, 706 Chestnut Ave., Cottage Grove, says: "I have taken Doan's Kidney Pills off and on for several years and they have always done good work. I was subject to kidney troubles and at times I had difficulty in retaining the kidney secretions. A box or so of Doan's Kidney Pills always regulate my kidneys." (Statement given March 27, 1916.)

On March 27, 1920, Mr. Rogers said: "There is nothing better for kidney trouble than Doan's Kidney Pills as they have always helped me when I have had need to use them." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rogers had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. m2-9
