**Same car—different power**

Two cars of the same make and age—One beats the other on hills and stays out of the shop. Why?

Ten to one, oil is at the bottom of it. You can't expect good performance on thin oil or gummy oil.

is as pure as oil can be made. There's no "cylinderstock" in it. It's real lubrication. Six types insure a proper oil for your kind of motor. You'll be proud of your car if Sunoco does the lubricating. T1 Your old car may have more life than you'd thought.

Ask your Sunoco dealer for booklet, "What's Happening Inside Your Motor?"
