SOCIETY

Invitations have been received here for the wedding of Edward J. Irwin, Portland, and Miss Eva Russell, Eugene, in the Methodist church in Eugene on the evening of June 14. Mr. Irwin was formerly with Gray's cash and carry store here. The young couple will reside in Portland.

A complete surprise to their many friends in this city and elsewhere was the marriage of Harry H. Hargreaves and Miss Audrey Roberts, members of the faculty of the Cottage Grove high school the past year, Monday morning in Eugene. The wedding was a very quiet affair, the ceremony being performed at the home of the officiating minister, Rev. A. R. Spearow, and was witnessed by Mrs. W. J. Roberts and Mr. and Mrs. Charles Roberts, mother, brother and sister-in-law of the bride, Miss Ruth Phelps and Miss Myrtle Ken, of this city, and John McGregor and Joe Skelton, fraternity brothers of Mr. Hargreaves. Both Mr. and Mrs. Hargreaves attended the University of Oregon. He was affiliated with Alpha Tau Omega fraternity and she with Pi Beta Phi women's fraternity. She had been a member of the teaching staff of the city schools the past year and he had served as principal two years. Mr. and Mrs. Hargreaves left immediately for Canada by automobile. Mr. Hargreaves has been elected to the principalship of the Ontario high school for next year.

Mr. and Mrs. Ivan Warner were hosts Thursday night of last week for an enjoyable evening of dancing. A color scheme of yellow was carried out in the decorations of Scotch broom and in the refreshments. Those who enjoyed the hospitality of the Warners were Mr. and Mrs. Earl Arthur, Mr. and Mrs. Carl Witte, Miss Katharine Mendenhall, Miss Ruth Phelps, Miss Eunice VanDeburg, Miss Margaret Galloway, Miss Hazel Swanson, Miss Helbet Gowdy, Miss Dorris Baker, Arch Proctor, George Bjorset, Cecil Caldwell, Ken Sautford, H. A. Stinger, Virgil Toway and Charles Binkholder Jr.

The visit of Lowell, Gault and Donald Patton, who gave the program on the opening night of campaigns, was the occasion for local people to entertain these popular comedians. Mrs. S. S. Lasswell, who has been a friend of the Pattons for years, having known them when she resided in Portland, invited them to her home for supper following the evening performance. For dinner, the three were guests at the Elbert Bede home, additional guests for the occasion being Miss Elise Price, Miss Crystal Robinson and Miss Hazel Fuhrer.

A trip to London springs, which included a delightful afternoon at the hotel, where refreshments were served, was the pleasant surprise which Mrs. T. C. Wheeler had for LaComus club members Tuesday afternoon. The guests were taken to the springs by motor. No hint of the trip was given beforehand. Mrs. D. J. Schell and Mrs. S. V. Allison were guests.

The Tuesday Evening Study club held a called meeting Monday afternoon at the home of the president, Mrs. B. R. Job, at which Mrs. Job and Mrs. C. E. Umphrey, who were delegates to the recent state convention of federated women's clubs in Medford, gave interesting reports of the convention. Both felt that it had been a worth while convention and that they had been royally entertained by Medford and Ashland people. The club has discontinued work for the summer but will resume in September.

The birthday anniversary of Ha Mason was celebrated Saturday afternoon at the Mason home, a number of friends of the little girl being invited for the occasion. Those present were Maxine Nelson, Alberta Williams, Louise Wynne, Charlotte Cooper, Donna Bartell, Vera Scott, Alice Newcomb, Beth Bede, Vesta Alstott and Jean Allison.

Miss Jessie Bonnie, daughter of J. W. Bonis, of this city, and James R. Collier, of Eugene, were quietly married in Eugene Saturday. Immediately after the ceremony they left for a short wedding trip to Portland, Seattle and British Columbia.

Mrs. R. L. Cooper was hostess Saturday evening, honoring Mrs. E. C. Shay, the occasion being Mrs. Shay's birthday anniversary. White roses and pansies decorated the attractive dinner table at which covers were laid for eight.

The home of Mr. and Mrs. E. C. Shay was the scene of a pleasant gathering Sunday afternoon, when Mrs. Shay's birthday anniversary was celebrated. Guests were Mr. and Mrs. Stacy M. Russell, Mr. and Mrs. Ransom Miller and sons Morrison and Charles, Mrs. Adeline Coppenhaver and daughter Genevieve, Ted Dunwoodie and Byron Surfing, all of Eugene, and Miss German, of Blue Mountain.

Silk Creek Society.
On Thursday, May 17 there was a surprise picnic on Miss Wolf and her pupils at the school chapel at noon. All enjoyed the good things to eat and the social time. At two o'clock Miss Wolf and her pupils gave a nice little program which lasted one hour, after which Miss Wolf called on different ones of the parents and friends present to give readings or songs. Miss Mattheyer and her pupils were present and Everett Huff gave two interesting readings. The exercises closed about four o'clock. School closed Friday, May 18.

If you are going to be mean and ornery, it is just as well to go to such extremes that nothing else will be expected of you.

Bring Children Up to Work.
My ideal of a boy is one who will grow up and be able to support himself and a wife and children. To be fit to be an American citizen he has got to preserve his self-respect and conduct himself so as to wrong no one. Fathers need the most preaching. Frequently the mothers who have had hard lives take the naive course in attempting to comfort their daughters and sons by bringing them up free from hard knocks. Next to hardness of heart the next least desirable quality is softness of head, and the mother and father should not try to bring up their child in that way. You don't get the right stuff out of these children for the next war, or you don't get decent citizens when there isn't any war. Bring them up to work, so that they shall recognize an obstacle is not something to be shirked, but to be overcome.—Theodore Roosevelt.

A man thinks he has a good wife if she thinks he is about the finest piece of male humanity that ever happened.

In the story where they get married and live happy ever afterwards the hero doesn't marry a suffering suffragette.

APPRECIATING NOBILITY.
There is now talk of turning the Philippines into a breeding ground for noblemen for American heirs. Most any Filipino, even without a title, is the equal of the brand of nobility that carries off American brides.

There is quite a difference between a pessimist and an optimist, especially when the two are together.

McLean Gains 18 Lbs. on Tanlac

Troubles Ended; Now Feels Fine as in Younger Days, He Declares.

When John R. McLean, a cabinet maker living at 519 Maple Ave., Los Angeles, said: "Tanlac was what I needed to put me in first class working trim," he corroborated the statements of thousands of others who have used the medicine with the most gratifying results. "Before taking Tanlac," he explained, "I had lost considerable weight and was in a badly run-down condition. Every year, for five or six years, I had been getting thinner and thinner and feeling more and more run down.

"I at last realized the importance of getting something to stop my decline and build me up and, as my aunt had gotten such good results from Tanlac, I turned to the treatment myself with the result that it has added eighteen pounds to my weight and made me feel as good as I ever did in my younger days."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

That Dull Aching

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Doan's Kidney Pills. Ask your neighbor!

Mrs. J. W. Clark, 8. 2nd St., Cottage Grove, says: "I can recommend Doan's Kidney Pills from experience. My kidneys were in a bad condition and I suffered with a continual dull, nagging backache and had no energy and became run down. I also had spells of headache and the action of my kidneys was irregular. Doan's Kidney Pills were recommended to me so I bought some at the New Era Drug Store. They helped me wonderfully, strengthening my back and kidneys and benefiting me generally."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Clark had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. my25jl

"Above all, be particular about lubrication. It's the life of your car."
"We recommend Sunoco. Find it's the best salesman we have. It keeps motors out of trouble, and saves money. I advise you to use it exclusively."

How you can get the best oil

All motor oils look alike; but they're not. And poor oils cause most of your motor troubles. Poor oils don't lubricate as well; and usually cause hard carbon deposits.

SUNOCO THE DISTILLED OIL

is just pure lubricant. It contains no "cylinder stock." Because it's pure it reduces carbon troubles, and after hundreds of miles it retains its lubricating qualities. If you could test Sunoco that's been used 800 miles, comparing it with ordinary oil used for the same distance, you'd see the difference. Many mechanics can feel the difference.

We made careful tests to find the best oil for your car—and every other car. We found it—Sunoco.

There are six types of Sunoco—all distilled. One of them is best for your car. Ask any Sunoco dealer for a booklet, "What's Happening Inside Your Motor?" It will tell you a number of facts you ought to know.
