

## ARCADE THEATER WEEKLY PROGRAM

Friday, June 15—Harry Carey in "Can-you of Fools." Our gang comedy, "One Terrible Day."

Saturday, June 16—Dustin Farnum in "Three Who Paid." And a comedy, "Wise Birds."

Sunday-Monday, June 17-18—"Clarence" with Wallace Reid, Agnes Ayers and May McAvoy. Universal comedy, "Hee Haw."

Tuesday, June 19—A Marshall Neilan production, "Minnie," the finest thing he ever made, with Leatrice Joy and Matt Moore. Comedy, "Cold Feet."

Wednesday, June 20—"Above the Law." The scenes are laid in India and they are packed with thrills. And a comedy.

Thursday, June 21—Frank Mayo in "The First Degree." International News and Felix, the Cat.

Friday, June 22—William Duncan and Edith Johnson in "The Fighting Guide," the story of a man who did things—a Napoleon of the woods who saved others by daring to go where many feared to tread. And a Larry Semon comedy.

## SOCIETY

Medicine guaranteed to make easy the path of Masons who are taking higher degrees was dispensed Friday night by the Western Star Medicine company which furnished entertainment for the members of the Eastern Star, George O. Knowles was manager of the show and Mr. and Mrs. Karl K. Mills impersonated the doctor and his wife. The medicine was sold to the audience by Eva Brockus, Hazel Swanson, Kathleen Allen and Dorris Sikes. In a contest for the handsomest woman and the homeliest man, Miss Adelle White and Jas. F. Graham carried off the prizes. Music was furnished by an orchestra composed of Miss Hallie Willis, Cecil Caldwell, A. C. Spriggs, Albert Griffin, and Herbert Cochran. Ken Sanford operated a lie detector which furnished amusement.

Miss Katharine Mendenhall, who leaves tomorrow to take up summer work at the state normal school at Monmouth, was the inspiration for a delightful evening on Wednesday spent at the J. Q. Willis home on Cherry court. The evening was spent informally, delicious refreshments being served at the close to the following: Miss Mendenhall, Miss Eva Brockus, Miss Rita Kelly, Miss Bethel Gowdy, Miss Eunice Vandenberg, Miss Margaret Galloway, Miss Leona Meeks, Miss Hazel Swanson, Miss Dorris Sikes and Miss Hallie Willis. Mrs. Willis was assisted in serving by Mrs. Roy R. Meeks.

An informal afternoon, for which Mrs. Chester Conn, of Portland, was the motif, was enjoyed Wednesday afternoon by neighbors and intimate friends of Mrs. C. E. Umphrey, who invited in eight ladies to meet her guest. The afternoon was spent pleasantly with needlework. The small children of the guests were also invited to spend the afternoon with Bobby and Virginia Conn, who are here with their mother.

Mrs. O. W. Hays invited in a group of younger girls yesterday afternoon for her sister, Miss Jean Hill, of Newberg, who is a guest at the Hays home. Those who were invited were Ila Mason, Jerene and Millicent Burrows, Alberta Williams, Vera Scott, Donna Bartell, Genevieve Woodard, Irene Griggs, Ellen Princehouse, Charlotte Cooper, Beth Bede, Louise Wynne, Helen Tower, Helen Ostrander and Jean Allison.

Following a pleasant afternoon at the home of Mrs. Claude J. Kem Monday, members of the LaComus Club enjoyed refreshments at the Gray Goose tea room. Mrs. W. W. McFarland, of Roseburg, and George M. Hall, of Eagle Rock City, Calif., former members of the club, were present, and Mrs. S. S. Lasswell was an invited guest. Sweet peas made attractive table decorations at the tea hour.

A potted fern, a start from a beautiful plant which is much admired by her friends, was the favor which Mrs. O. L. Nichols presented to each member of the M. P. G. club Tuesday afternoon when she entertained at her home. At the lunch hour each member found a dainty corsage at her place at the table.

Announcement of the engagement of Miss Dorris Sikes and Georg Bjorset was made Monday night in Eugene at the Alpha Xi Delta house of which Miss Sikes is a member. The wedding will be in the fall.

Epworth Leaguers of the Methodist church were guests Wednesday night of members of the Christian Endeavor of the Christian church at a social in the church parlors.

The Past Matrons club will be entertained Monday afternoon by Mrs. O. L. Nichols.

## ANNUAL SCHOOL DISTRICT MEETING IS ON MONDAY

The annual meeting of school district 45 will be held in the high school auditorium Monday afternoon at 2 o'clock. One director to serve three years and a clerk to serve one year are to be elected.

## Wilson Reveals Striking Facts

Declares Tanlae Entirely Overcame Indigestion, Nervousness and Weakness Left by Flu.

"Since taking the Tanlae treatment I feel one hundred per cent a man and can eat anything and relish it," is the emphatic statement made recently by D. M. Wilson, 3518 W. 27th St., Los Angeles. "When I began taking Tanlae I was in a terribly run-down condition following the flu and a nervous breakdown. I felt like I would never want to eat anything again, and was so nervous I would roll all night, positively unable to sleep. I had colds in my head, aching pains in my limbs and across my back, awful headaches and dizzy spells, was so tired and worn out all the time, and didn't feel fit for anything."

"Well, sir, I took this Tanlae treatment and have gotten rid of all my troubles, and am in A. No. 1 condition. My appetite can't be beat, my stomach is in perfect order, and I am sleeping nights like I have never slept before. In fact, I feel just as fine as I ever did in my life, and I am certainly thankful to Tanlae for it."

Tanlae is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanlae Vegetable Pills are nature's own remedy for constipation. For sale everywhere. jne15

## Find Tuberculosis in Hogs Killed in 1922

### One of Every Seven Animals Had Dread Disease.

(Prepared by the United States Department of Agriculture.)

Federal meat-inspection records for the year 1922 show that an average of one hog out of every seven slaughtered in establishments under federal inspection during the year showed lesions of tuberculosis. Altogether, 30,416,439 hogs were slaughtered under federal inspection in 1922, and 5,640,061 of them showed lesions of the disease.

Hogs are infected principally by following diseased cattle in the feed lot and by drinking milk from tuberculous cattle. Because of the short feeding period of hogs, the tuberculous lesions are usually localized; the head and glands of the neck are most commonly affected. However, it is estimated that in 1922 more than \$2,000,000 worth of pork was condemned as unfit for human food on account of tuberculosis. This is but a part of the total loss sustained by the nation on account of tuberculosis in hogs. Animals affected with the disease cannot make the best gains, and the danger to human health is a factor always to be considered.

The vigorous campaign being conducted for the eradication of this dread disease has resulted up to March 1, 1923, in 24,132 accredited herds in the United States, in which more than a half million cattle have been pronounced free from tuberculosis. Every herd that is freed reduces the menace to the hog industry.

## Soy Beans With Corn Do Not Lessen Yield

There is no decrease in yield of corn when soy beans are planted with the corn, judging by results at the Ohio experiment station. Over a period of three years each acre of soy beans and corn, planted for hogging down, made 180 pounds more grain to the acre than corn alone.

When planted for silage, corn and soy beans showed even more decided advantages. Corn alone averaged 8.2 tons of silage to the acre; the corn-soy bean combination, 11.2 tons to the acre. The combination proved most profitable in wet seasons. The poorer the soil, the more likely are corn and soy beans to be good business. The corn and soy beans can be drilled together at the same time. The soy-bean seed should be inoculated. Lime the soil, if sour.

Dairy cows receiving corn-soy bean silage need less bran and oilmeal than those receiving corn silage. Figuring the protein at 5 cents a pound, and the carbohydrates at 1 cent a pound, the mixed crop has been found worth about \$6 more to the acre than corn alone.

## Advantages of Motor Trucks in Corn Belt

The experience of other farmers who have owned motortrucks is the best guide in determining if one will prove profitable on a farm and if so what size will prove most profitable, according to the United States Department of Agriculture. Farmers' Bulletin 1314, "Motortrucks on Corn Belt Farms," by H. R. Tolley and L. M. Church of the division of agricultural engineering, is just off the press and gives data based on the experience of over 500 grain and live-stock farmers located in the Corn Belt who have owned motortrucks for more than two years. From these men there has been collected information on size of truck used, cost of operation, amount of hauling done and the advantages and disadvantages of owning a truck. The bulletin is intended for use primarily in the section where the data were collected but will be of interest to farmers in other sections. Copies may be obtained upon application to the United States Department of Agriculture, Washington.

## San Jose Scale Pest Attracting Attention

The San Jose scale is attracting increasing attention in Rhode Island, Ohio, Georgia, Indiana, Illinois, Idaho, Texas and New Mexico. The lime-sulphur spray, according to reports received by the United States Department of Agriculture, is not proving as satisfactory as formerly, probably on account of less thorough applications. Well-sprayed orchards, however, have some infestation. In Illinois a large percentage of unsprayed scale was found alive, in some localities as much as 60 to 80 per cent. Some states are recommending lubricating-oil sprays as developed by the bureau of entomology. In Idaho there is very heavy infestation of the scale along the shores of the Snake river and on islands in the river. Fruit orchards adjoining are repeatedly reinfested. At Emmett and Parma apple orchards are infested, even in the best-cared-for orchards. In Boise the pest occurs on currants, pear, cherry, apple and rose.

## Good Returns Can Be Secured From Garden

Most farmers don't think much of the garden, yet this is perhaps the most profitable acreage on the average farm. A good farm garden will almost support a family and leave a surplus of eatables for sale. The front-door market isn't a bad proposition where folks travel by automobile.

## Church News

Presbyterian Church—Rev. A. E. Spearow, pastor. Sunday school at 10, Men's Forum at 10, morning hour at 11, junior Endeavor at 3, evening service at 7:30. Dr. Warren D. Smith, of the University of Oregon geology department, will speak on geological formations in this part of Oregon.

Methodist Church—Rev. J. H. Ebert, pastor. Sunday school 9:45; church 11:00. Epworth league at 7, evening service at 8. The public is cordially invited to join in the services of the Sabbath day.

Christian Church, the "home-like" church—J. E. Carlson, minister. Sunday school at 10, sermon at 11, topic, "The Real Large Prayer." Christian endeavor at 7, evening service at 8, topic, "If the Christ Were to Come to Cottage Grove Today Would He Be Crucified?" A male quartet will sing at the evening service.

Seventh Day Adventist Church—West Main street. Services every Saturday. Sabbath school at 10, church service at 11; prayer meeting Wednesday evenings at 7:30.

Christian Science Church—Corner of Jefferson avenue and Second street. Sunday services at 11 a. m. Wednesday services at 7:30 p. m.

## Neighborhood News

### HEBRON.

(Special to The Sentinel.) June 12.—Mrs. G. J. Kappauf, Mrs. G. M. Keibelbeck, Mrs. Bailey and baby and Mrs. John Hopman motored to Eugene Friday of last week.

Mr. and Mrs. John Keibelbeck were in Cottage Grove Friday. William Baimbridge, of Cottage Grove, sheared sheep in this neighborhood last week.

Mrs. Gilchrist, Lester, Leonard and Annabel Gilchrist and Mr. and Mrs. Fred Overton were Sunday dinner guests of Mr. and Mrs. Guy Jenkins in Cottage Grove.

Mr. and Mrs. Arthur Cooter and daughter, of Corvallis, spent the week end at the G. J. Kappauf home.

Gordon Kendall and Miss Alice Strong, of Eugene, attended church here Sunday.

Mr. and Mrs. John Taylor and children, of Latham, attended church here Sunday. Robin Powell, of Raymond, Wash., visited Sunday at the home of his uncle, George Taylor.

Mrs. Bailey and son are visiting at the Arthur Cooter home in Corvallis.

Rev. Hoven, of Eugene, was a dinner guest at the Harvey Taylor home Sunday.

Mr. and Mrs. Chapman and daughter stopped over Sunday night at the home of their uncle, W. L. Kimble. They were en route from their home at Dinuba, Calif., to Portland to attend the rose festival. The John and George Keibelbeck families and Mr. and Mrs. White-

## Sound, Restful Sleep

You'll feel well repaid for the trouble of replacing your old mattress the first night you sleep on the modern, sanitary Sanotuf—it's so soft, so springy, so comfortable.

No outside cotton tufts to tear out. No wrinkles or deep pockets to catch dirt. The Sanotuf is tied on the inside, by a patented method of construction which holds the filler firmly and solidly in place so that it cannot possibly spread or become lumpy. These are just a few of the sixteen points of superiority of the Sanotuf. Ask your dealer to explain these points.

The Sanotuf is made in a sanitary factory, packed and delivered in a sanitary carton. Four types of fillers, each the best of its kind. Prices: \$25, \$30, \$35 and \$40. *Guaranteed never to spread.*

## LATHAM SCHOOL DISTRICT OBSERVES CLEANUP DAY

Cleanup day was observed Thursday of last week at the Latham school house. Residents of the district cleaned up both the interior and exterior of the building and cleared away the brush on the grounds. Several trees were felled and cut into wood for use next winter.

## Fire Destroys Mrs. Finnerty House.

The Lora Finnerty house, one mile north of this city, was completely destroyed by fire Thursday morning of last week. Within 15

minutes after the fire was discovered the building was a total loss. There had been no fire in the stove for some time and it is supposed that a spark ignited the roof and smoldered for some time before breaking into flames. The house was occupied by the William Haskins family.

## INTER-CITY BICYCLE RACE SCHEDULED FOR JUNE 23

Bicycle enthusiasts of Cottage Grove will participate in an inter-city race about June 23, according to Harry Rennie who, with a Eugene bicycle dealer, is staging the race. Two groups of riders, one from each city, will start simultaneously from their respective cities and will make the round trip.

## A VICTORY FOR AMERICAN MOTORISTS

The Crude Rubber Monopoly weakened when it came into contact with aroused public sentiment. The press of the country today reflects the determination of the American motorist that tire prices shall stay at a reasonable level — and that America must produce its own rubber.

# Firestone

## CUTS TIRE PRICES

### 10%

EFFECTIVE JUNE 11

We announce a 10% reduction in tires and tubes effective June 11. The lowered cost of crude rubber and the special Firestone manufacturing and distribution advantages make this possible.

Firestone factories are organized on a basis of large volume and effective production. Costs are down but quality is at its peak. Stockholder workmen are daily building many thousands of Gum-Dipped Cords—the best Firestone ever produced and, we believe, the leader on the market today.

Firestone Cords took the first four places and eight of the ten money positions in the Indianapolis sweepstakes, May 30, without a single tire failure.

## More Royal Clinchers for 1923

### United States Tires are Good Tires

THE U. S. Tire people took plenty of time in developing the Royal Clincher Cord.

When it was finally placed on sale there were no mistakes in it.

Last year we couldn't make Royal Clinchers fast enough.

Production for 1923 has been more than doubled.

But whenever and wherever you can get a Royal Clincher—take it.
