# Do You Need Glasses?

Don't attempt to answer this question because you can't tell. That's my business-to examine eyes accurately and tell whether or not glasses are required.

If you don't need them, I will say so frankly. If you do, those I prescribe will be exactly right and will cost you no more than you would have to pay elsewhere-perhaps less.

### WHAT OTHERS THINK ABOUT THE JENNINGS TENT SHOW

To the Mayor and Council of Our Neighboring Towns:

The Jennings Tent Show company, who are today completing a week's engagement in our town, are making their first venture into Oregon territory. I can recommend them as being far above the ordinary tent show organization. They put on good, clean, up-to-date shows at a reasonable price, attractions any man can take his family to and en-Nothing rough or suggestive.
