On Job First Time in 4 Years; Thanks Tanlac

"After taking Tanlac I got back on the job for the first time in four years, and a medicine that will fix a fellow up like that is certainly worth recommending," declared G. W. Divine, carpenter and tinner, living at 35 North 6th St., Walla Walla, Washington. "I suffered an accident that left me in such bad shape I was completely down and out so far as work was concerned. I had no appetite, was way under weight, and had such dizzy spells I couldn't stand up and didn't dare try to climb a ladder. "Well, Tanlac gets all the credit for my being able to follow my trade today. I gained 15 pounds by taking it and I never have a dizzy spell any more and can climb a ladder as well as I ever could. I eat better, sleep better and feel better than I have in over four years, and I'll tell anybody, Tanlac is simply great." Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold. Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere. jly27
