

## ARCADE THEATER WEEKLY PROGRAM

Friday, August 3—"The Vow of Vengeance," with Mary Wynn, Jack Livingston, Al Ferguson and Baby Edith.

And a comedy.

Saturday, August 4—John Gilbert in "A California Romance." And a comedy, "Roaring Lions on a Steamship."

Sunday-Monday, August 5-6—Super special, "The Town That Forgot God," the biggest thrill seen on any stage at any time, in pictures or out, is caused by the flood scene, which is stupendous in its awfulness.

And a comedy.

Tuesday, August 7—"Flames of Passion" with George Larkin and Ruth Stonehouse. A story of the north woods.

And a comedy, "Danger."

Wednesday, August 8—"Broken Chains" with Collen Moore, Claire Windsor, Malcolm McGregor and Ernest Torrence. Thrills! Fights! Pursuits! Danger! Love! See this corking action picture.

And a comedy.

Thursday, August 9—Herbert Rawlinson in "Railroaded," a story of a noble woman and a human derelict.

International News and a comedy.

### SOCIETY

Surprising their many friends in this city Ralph V. Hawley and Mrs. Edna Morgan slipped away to Roseburg and were married Saturday, returning that evening. They were accompanied by Mr. and Mrs. W. B. Hawley. Mrs. Hawley has been employed at the Fair store but will finish her work there this week. They will make their home at Roseburg.

### TRAFFIC VIOLATIONS TOTAL 66 ONE DAY AT CULVER CITY

California is likely to lose its reputation as the mecca for speed demons and reckless drivers. In a recent issue of the Culver City News, edited by W. R. Smith, formerly of Myrtle Point, Ore., appeared the following:

"Police court went back to a normal basis for Culver City yesterday afternoon. After two sessions in which only a few were present, the attendance increased yesterday, 66 appearing in the court room to answer complaints.

"The highest fine yesterday was \$100 and the lowest fine was \$1.

"Captain Jimmy Cain is back on the job again, after being laid up for a week following a collision with a laundry truck.

"Motorcycle Officer Morris Lightfoot is still on the injured list, having been injured recently by a reckless autoist.

### DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Cottage Grove People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in Cottage Grove.

Mrs. George Young, 404 Second St., says: "I have used Doan's Kidney Pills for several years and consider them a good remedy. My kidneys were weak and I had attacks of backache and soreness over my kidneys and they acted irregularly. I read of Doan's Kidney Pills and they benefited me by strengthening my back and kidneys."

Price 60c at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mrs. Young had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. j120-27

### OREGON MOST HEALTHFUL STATE IN UNION FOR BABIES

Oregon is the most healthful state in the union for babies, according to figures just made public by the American Child Health association in which infant death rates for the larger cities in 27 states are given. Only 58 of every 1000 babies in Oregon's four cities of 10,000 or more population died in 1922.

Washington's nine cities ranked second with a fraction more than 58 out of every 1000, and Minnesota, with 11 cities of more than 10,000 population, was third with 60 infant deaths per 1000.

Maine and South Carolina, with eight and six cities respectively, were last on the list. Ninety-nine babies of every 1000 in the cities of these states died during last year.

### CANADIAN THISTLE SHOULD BE CUT AFTER FULL MOON

The attention of The Sentinel has been called by a reader to a letter from "An Old Farmer" which appeared in a recent issue of another paper in which it was stated that the only way to successfully combat the Canada thistle is to cut it during July and August after a full moon and while in bloom. The writer states that it took the people of Canada a long time to learn that and he warns farmers to look out for the sow thistle, which has gotten a good start in some eastern states.

### U. OF O. AND O. A. C. MAY GET RELIGIOUS COURSES

Steps toward the establishment of chairs of religious instruction in the University of Oregon and the Oregon Agricultural college were taken last week by the Presbyterian synod of Oregon in their session at Eugene. Rev. Dr. Harold L. Bowman, pastor of the First Presbyterian church of Portland, was appointed to organize the raising of a fund of \$250,000 to cover the cost of establishing such chairs in the two institutions of higher learning.

### O. A. C. to Teach Lumber Grading

Classes for the study of lumber grading will be started soon at mills in this vicinity and at Malheur under the direction of officials of the Oregon Agricultural college forestry department. J. W. Graham, graduate of O. A. C. with the class of 1911, will have charge of the classes which will be conducted in connection with the operation of several of the larger mills of the state.

Active lumber grading under the supervision of the instructor is planned and the course is scheduled to cover a period of two weeks in Lane county mills as well as in mills at Dallas and Mill City. Many of the students enrolled are at present employed in the mills. Instruction in the Lane county mills will be more advanced than that to be given at Mill City.

### Oregon Dairy Stock Leads

Oregon is foremost in the milk production per cow of any western state, increasing 17.2 per cent from 1910 to 1920. During the same period Idaho increased 15.3, Washington 15.3 and California 9.1 per cent, according to P. M. Brandt, chief of dairying at O. A. C.

Oregon led the western states in pure bred bulls in 1920, having 48.8 per cent, while Washington had 41.1, California 39 and Idaho 34 per cent. Oregon has 61 cows for every pure bred bull, Washington has 70, California 99 and Idaho 103.

### Spray Now for Codlin Moth.

Orchards should be sprayed this week for the second brood of codlin moth, says C. E. Stewart, fruit inspector. One pound of lead arsenate should be used with 50 gallons of water. The present brood of the moth will be active over a period of about five weeks.

Mr. Stewart also advises spraying with this solution and with the 6-6-50 Bordeaux solution after the fruit is picked to prevent anthracnose.

## The Cleanest Farms in Any Community

Fordson farms have that reputation. Early fall plowing is what keeps these farms free of weeds. "That's easy to talk about, but how are you going to plow when the ground is so hard and dry, and the weather so hot that a team can't work?" That, probably, is your objection to the formula.

"Use a Fordson-Oliver plowing outfit," is the answer. Early fall plowing with a Fordson tractor and an Oliver No. 7 plow will enable you to turn over the soil at the time when you know it will do the most good.
