—that is the number to call when you have a news item. If you know an item and it doesn't get printed, the fault is yours for not taking a moment to phone it in.

In emergency cases, call the same number to give in your wantads. Forms close at 12 o'clock Thursdays.

Our phone is for your convenience; don't hesitate to use it.

THE SENTINEL

A Better Oil

Even if it does cost less

It isn't what you pay but what you get in lubrication that counts. Thousands of laboratory and road tests have proved that Zerolene oils and greases reduce friction and wear to a greater extent than any other motor lubricants we have seen and tested or been able to produce.

Zerolene oils form on an average 30% less carbon than other motor oils. They form less carbon than any other motor oils known to us.

And because Zerolene gives better lubrication continuously, the Zerolene lubricated automobile averages 5% more mileage from the gasoline consumed.

Insist on Zerolene even if it does cost less.

Neighborhood News

LYNX HOLLOW.

(Special to The Sentinel.)
 Oct. 2.—The Lew Lajoie family are home from the hop yards but will leave at once for the prune orchards.

Two auto loads of people arrived from the east last week and are visiting at the Campbell home.

Mrs. Wm. Slater accompanied her son, Horace Strong, of Eugene, on an auto trip to Myrtle Creek the latter part of last week. They also visited the Arzner prune orchards, where Mrs. Wolford and Mrs. Caldwell and their children are at work.

Mr. and Mrs. Jess Smith, lately from Illinois, and Mrs. C. V. Sheridan and daughter Elizabeth, of Walker, drove up Wednesday of last week to visit at the I. N. Dresser home. The women are Mrs. Dresser's sisters.

Mr. Winslow, of Silk Creek, came over Tuesday to do some fall farming for E. T. Hartley.

School opened Monday with Mrs. Opal Hill, of Cottage Grove, as teacher.

Mrs. Geo. Huff, of Multnomah, who has been visiting here and at Hebron, was joined by several of her children and together they visited their old home here.

Mrs. Nancy Neal was a dinner guest at the Dresser home Thursday of last week.

The John Samson family and Mr. and Mrs. Marion Lebow arrived the latter part of last week from an auto trip to eastern Oregon. They visited Bend, Prineville and other points, returning by way of Portland and reaching Salem for the fair.

Mrs. Nancy Neal, Mrs. W. A. Renne and children and Ralph Mosburg left Friday of last week for a trip to North Bend, where Mrs. Neal's daughter, Mrs. Earl Clark, lives.

DELIGHT VALLEY.

(Special to The Sentinel.)
 Oct. 4.—W. E. Nixon, Lee, Hugh and Ray Nixon, Chas. Johnson, Alfred Cornutt and Oscar Jackson made up a hunting party which were gone from Friday to Sunday out near Riddle.

Mr. and Mrs. E. C. Lockwood have returned to their place here. The family who have been living there moved to the Grove.

Mr. and Mrs. Harry Conner, of Eugene, came up Friday and spent the week end at the C. C. Conner home.

Ray Nixon, of Portland, is here visiting relatives.

The T. D. Hodges family returned Saturday from Salem.

Mr. and Mrs. Albert Huff and Mr. Huff's sister Elora, of Dufur, were overnight guests Sunday at the C. C. Conner home.

Mr. and Mrs. W. A. Keene and daughter Frances returned Sunday evening from Salem.

Mrs. Oscar Jackson and children spent Sunday with Grandpa Jackson, at Walker.

Mr. and Mrs. Walter Lacky and son, of Cottage Grove, spent Sunday evening at the C. C. Conner home.

Club was postponed Wednesday on account of the illness of the granddaughter of Mrs. Smith, who was to have been hostess.

Miss Leota Brown is in a Eugene hospital, being very ill with typhoid fever.

C. H. Haight, who recently underwent an operation at a Eugene hospital, is reported to be doing nicely.

The J. A. Joll family and Mrs. C. H. Haight were Eugene visitors Wednesday.

Mrs. M. A. Horn and her mother, Mrs. Mary Smith, were in Eugene Tuesday to see Clita Walden, who is ill with typhoid.

Equipping the Wheelbarrow with Shock Absorbers

The shocks suffered when pushing a wheelbarrow over rough ground can be largely eliminated by providing the wheel with shock absorbers made from buggy-spring leaves. The leaves used

for this purpose have eyes at the ends; each is cut to a length of about 8 in., and has three or four screw-holes drilled through it. The eyes are reamed out so that they will accommodate the axle of the wheel and allow it to turn easily, and the springs are screwed to the underside of the wheelbarrow frame, the eyes being turned down.

Secure Latch for Paddocks

It is desirable to have the gates of stables and paddocks provided with a latch that cannot be opened by the horses. A

good latch, that is absolutely secure, and has been found to be very useful on the stallion paddock at the University of Illinois, is shown in the drawing. The gate is made so that it touches the gatepost at the bottom first, and the top must be sprung in in order to hook the latch. There is not a chance for the gate to open when the latch is in position; the harder the stallion rubs or pushes against the gate, the tighter the latch becomes.

Beeswax makes a better lubricant for tail centers than the usual white lead, oil, or grease.

Buy Your Tires from a Firestone DEALER

At the Latest Prices—The Lowest in History

You will find the Firestone Dealer one of the stable business men of your community. He offers a clean, fresh stock, backed by a well organized service. He wants you as a permanent customer.

That is the reason he sells Firestone tires. He knows and has plenty of proof that they are the best tires on the market. He can give you the greatest value and thereby retain your trade for years.

Every day you find new proof of this unequalled value. On the 15th of this month, Firestone Tires set two new dirt track records at Syracuse when Tommy Milton slid around four turns at every mile and covered the 100 miles in 75 minutes, 33 hundredths seconds. He also established a new world's record for one mile by covering it in 42 and 28 hundredths seconds. The next four cars to finish were also equipped with Firestone Gum-Dipped Cords. Each one of them

went the entire race without a stop. This and every other important race this year was won on Firestone Gum-Dipped Cords and Steam-Welded Tubes. Such performance gives you conclusive proof of their strength and durability.

Not only do race drivers use Firestone Tires as protection to their lives and the surest way to victory, but the largest tire buyers in the world insist on and buy Firestone Tires for economy and service. These buyers include the leading car manufacturers, the biggest commercial car operators and the taxicab and motorbus operators. 57,639,714 tire miles were sold to taxicab and motorbus operators in the month of August.

Think this over. You cannot afford to accept anything less than Firestone service and economy. You can buy this service and economy from any of the dealers listed below.
