Young man, do you see that old fellow so gray, thin-clad, stooped and hopeless, out there in the storm? He pleaded for work at a dollar a day, for food and drink and a chance to get warm. When young he, like you, was careless and gay; he sported and drank, squandered year after year, threw money and time and chances away; now for the old wreck not a soul sheds a tear. He's a study for you, young man at the bar, or joy riding nights when good folk are asleep; once traveled the road does not seem very far to this old man's pit, so dark and so deep.

Most every girl before she gets married plans on the many little charities she will do when she gets her husband's money to spend.

Some men's lives don't bear fruit until after they are planted.

It is easy for you to be a gentleman and hard on others for you not to be.

Eugene Motorists Are Warned. Eugene Register: Motorists who are at fault in auto accidents in this city hereafter will have to appear in court and explain the circumstances. Too many car accidents with considerable damage resulting has led to the ruling that a police investigation will be made of each case.

In the past it has been the practice to allow the car owners to settle the matter out of court, provided the one at fault agreed to pay the damage resulting. This practice will be stopped now and every car driver involved in a collision who is to blame for the crash will be cited to appear in court.

City Budget Up Tomorrow. The 1924 budget for the city of Cottage Grove will be up for a hearing before the county tax supervising commission on the evening of Monday, Nov. 12. The meeting will be held in the court house in Eugene. Any persons interested may be present. The school district budget has been approved.
