The 1924 Star
The Durant The Studebaker

While thinking of Christmas presents, give most serious consideration to a gift that will give more year-round pleasure than any other gift you could think of. Nothing could come nearer to satisfying every member of the family than one of these—

We handle these in all models. You have seen nothing spiffier, nothing with more class for a small car than the 1924 Sport Model Star. The Durant is the superior car in the four-cylinder class. The Studebaker, whether the little six or one of the larger models, leads all others in that class of car.

If you are thinking of a car of any kind, we are certain to be able to please you with one from one of the three lines.

You will make no mistake if you give the family a Star, Durant or Studebaker for Christmas—and you will make them all happy.
