Give One For Christmas

The Tudor Sedan is a gift every member of the family will share. It adds to daily happiness. It will extend the joyous spirit of Christmas to every day of the year.

This new Ford type is of an exceptionally pleasing design. Wide doors opening forward, folding right front seat, and a roomy interior make it a convenient car to use; its high radiator, broad cowl, sun visor, and large windows make it stylish in appearance. Yet it is sold at the lowest price ever asked for a Sedan—only \$590 f.o.b. Detroit.

This Car can be obtained through the Ford Weekly Purchase Plan.
