

ARCADE THEATER WEEKLY PROGRAM

Thu., Jan. 17—A all star production, "The Six Fifty." International News and a comedy.

Fri., Jan. 18—Agnes Ayers in "The Heart Raider." And a comedy, "Boys to Board."

Sat., Jan. 19—Shirley Mason in "South Sea Love," the powerful drama of a girl who was a daughter of the sea and a mother to its fearless travelers. And a comedy, "Dance or Die."

Sun.-Mon., Jan. 20-21—A James Cruze production, "Hollywood." Here is a story—a gripping, throbbing, irresistibly human story of a small-town girl who goes to Hollywood to break into the movies and meets with a thousand and one adventures that put this picture in a class by itself. And a comedy.

Tues.-Wed., Jan. 22-23—A woman on a ship. She's a supercargo of trouble, seafaring men believe. The superstition certainly holds good in "All the Brothers Were Valiant," Ben Ames Williams' great sea story. And a comedy.

Thu., Jan. 24—"Crooked Alley," with an all star cast. International News and "Felix, the Cat."

Every patron of The Sentinel is helping to give Cottage Grove a newspaper which eminent authority has stated to be one of the best country newspapers published by anyone anywhere.

SOCIETY

The social event of the season so far as the men are concerned was the housewarming stag party given Saturday night by Roy E. Short. He entertained about 15 in the basement of his new home on south Fifth street. The "Days of '49" entertainment, soon to be staged, will be a hummer if the gambling games are any more exciting than those of the Short housewarming. The host provided his guests with a quantity of tin money and the guests wagered it recklessly at poker, craps and other games. Refreshments were served cafeteria style in the wee sma' hours.

The Past Matrons' club will meet Monday at 2:30 in the banquet room of the Masonic temple, with Mrs. Andrew Brund as hostess. The annual election of officers will be held.

Mrs. George A. Proctor will entertain the M. P. G. club Tuesday afternoon at her home.

The American Legion auxiliary met Monday evening with Mrs. C. C. Cruson. A business meeting was held at which plans for the auxiliary's part in the "Days of '49" were discussed. About twenty members were present.

The S. T. S. club met yesterday afternoon with Mrs. Victor Chambers. The hours were most pleasantly spent in social conversation and a delightful two-course luncheon was served. Mrs. Georg Bjorset was elected to membership. Mrs. George Matthews was an invited guest. At the meeting of January 2, Mrs. Ivan Warner was elected president and Mrs. Victor Kem secretary and treasurer. The next meeting will be held January 30 with Mrs. Pete Nelson.

The Kensington club will meet tomorrow afternoon.

The Methodist ladies' aid society will meet next Wednesday afternoon in the church parlors, with Mrs. Harry Hart, Mrs. Buchanan, Mrs. Cooley and Mrs. H. B. Breedle as hostesses.

The Social Twelve club will meet this afternoon with Mrs. H. A. Miller.

The Tuesday Evening Study club met this week at the home of Mrs. B. R. Job with Mrs. Job and Mrs. C. E. Umphrey as leaders. The club is still on the study of composers. Each member answered at roll call with the name of an Italian composer. Mrs. Job read a paper on Verdi and gave an interesting talk on his opera, "Il Trovatore." Mrs. Umphrey gave a talk on Puccini and told of his opera "La Tosca." The next meeting will be held January 29 with Mrs. George Matthews.

Mrs. H. B. Griggs, Mrs. Earl Hill and Mrs. W. J. Woods were hostesses at the meeting of the Constellation club held last Thursday. The afternoon was pleasantly spent socially. Delicious refreshments were served. The club will meet next Thursday afternoon in the banquet room of the Masonic temple, with Mrs. George Matthews, Mrs. Charles Beidler and Mrs. Mary Smith as hostesses.

Little Irene Shanda celebrated her sixth birthday anniversary very merrily on Tuesday, when a few of her little friends were invited in for an afternoon of games and play. Dainty refreshments were served. The guests were Lucy and Eunice Edwards, Robert Knowles, Ray Dickson, Hazel Bradford and Evelyn Shanda.

The H. D. S. club will meet Friday evening with Mr. and Mrs. S. S. Lasswell.

The W. R. C. and the G. A. R. jointly installed their newly elected officers Saturday at a meeting held in I. O. O. F. hall. Dinner was served at noon. About thirty-two members of the W. R. C. were present but only a few members of the G. A. R. were able to attend. This was a big day for the W. R. C., as it was their regular meeting day, the day for their quarterly dinner, for the celebration of the birthday anniversaries which had occurred during the quarter and for the installation of officers. A part of the G. A. R. officers were also installed.

Mr. and Mrs. J. P. Graham entertained a few intimate friends at their home last Thursday at an informal evening of five hundred. A delicious two-course luncheon was served.

The Mothers' club will meet Friday afternoon this week instead of Saturday, their regular meeting day. Election of officers will be held, a short program will be given and light refreshments will be served.

The Tillicum club was entertained Monday evening at the J. Q. Willis home. The hours were pleasantly spent at cards. A delightful two-course luncheon was served. Invited guests of the club were Mr. and Mrs. Samuel Veatch, Mrs. Carrie Hemenway and Dale Hawkins. The next meeting will be held January 30 with Mr. and Mrs. C. A. Kurro.

Miss Jessie Sanborn, assisted by Miss Beth Bede, entertained her Sunday school class Monday afternoon at the W. L. Hatch home. A business meeting was held, followed by games. Light refreshments were served.

Mrs. W. L. Hatch was hostess at her home Tuesday afternoon to the deaconesses of the Presbyterian church. A short business meeting was held, after which the afternoon was spent in social conversation. Dainty refreshments were served.

Mrs. N. E. Glass entertained the LaComus club at her home Tuesday afternoon. A delicious two-course luncheon was served. Mrs. B. F. Johnson was an invited guest of the club.

Why Mr. N. Windsor (R. I.) Put Up with Rats for Years

"Years ago I got some rat poison, which nearly killed our fine watch dog. We put up with rats until a friend told me about Rat-Snap. It surely kills rats, though house pets won't touch it." Rat-Snap dry up and leave no smell. Prices, 35c, 65c, \$1.35. Sold and guaranteed by KEM'S FOR DRUGS.

Plymouth Rock Transported From Canada by Glacier

Examination of Plymouth Rock by a scientist recently has established the fact that it was carried from Canada perhaps 40,000 years ago by one of nature's freight cars, the huge glacier that at one time covered the northern part of the continent with ice. When this huge sheet began to melt and recede, tons of bowlders and silt were deposited over New England. Among the huge stones was this historical rock which welcomed the Pilgrims.

An Amusing Trick

An amusing trick that can be performed with a mirror, two pieces of paper, and a pencil is shown in the illustration. One person is seated at a table and is instructed to draw the figure shown in the upper left-hand corner, first drawing the square and then the cross inside of the square. This must be done by looking in a mirror which is held vertically as shown, a piece of paper being used as a shield to prevent the victim from seeing the pencil movements directly.

It will be found rather easy to draw the square, but mysteriously difficult to draw the cross inside. In fact, many people find it absolutely impossible to make the pencil start diagonally in

the proper direction, and very few can draw a straight line, even when they do make the pencil move in the right direction.

Why Not Own an Electric Plant of Your Own?

YOU CAN VIRTUALLY BE OWNER of an electric generating plant or a gas plant supplying your home or business in this day of Customer Ownership of public utilities.

TAKE YOUR SERVICE BILLS for a year and add up the total. Suppose your electric service has cost \$18 for the 12 months, or \$1.50 per month, which is the average monthly household bill. This has been the entire cost of the electric energy you use.

NEXT COME TO OUR INVESTMENT DEPARTMENT and buy three 7 per cent Gold Notes at a cost of \$300. This amount will represent to you the investment cost of your own private electric plant. You will in effect own a portion of the water powers, steam plants and distributing systems which deliver electricity to your lamps far cheaper than you could possibly do it for yourself, in which latter case you would have an investment cost several times the investment cost paid for your three Gold Notes.

FROM YOUR OWNERSHIP OF THREE GOLD NOTES you receive every six months interest amounting to \$11.50. In the course of a year you receive a total of \$23 from your investment of \$300, an increase equal to the average bill for electric service, with \$5 left over. You have no operating expenses, upkeep or depreciation. Once the investment is made the service costs you nothing.

OUR MONTHLY INVESTMENT PLAN MAKES IT EASY.
