A Favorite Investment of This Community

Within a few years the investment securities of this Company have become a favorite form of investment for our citizens.

You can find our security holders in every part of town, following every kind of occupation and of varying degrees of wealth.

Our doors are open to every man, woman and child who cares to become a part owner of the service properties and to participate in the reasonable returns paid on their investment.

The Monthly Investment Plan places this opportunity within the reach of everyone who can earn and save a little each month.

The money of our security holders is invested here at home in extensions and additions and the dividends paid as wages remain in the community.

As long as we grow we can put additional money to work in useful public service.

Our Investment Department Will Be Glad to Serve You.
