GET AT THE CAUSE

Many Cottage Grove Folks Are Showing How to Avoid Needless Suffering.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Cottage Grove people. Profit by this Cottage Grove resident's experience: J. H. Baker, proprietor of Blacksmith shop, Pacific highway, says: "I have used Doan's Pills with benefit and am glad to endorse them. I was troubled with attacks of kidney trouble and my back was weak and lame. My kidneys annoyed me, too, by acting irregularly. Doan's Pills always helped me when I used them, strengthening my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Baker had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. ml13-20

SMELTER FOR GOLD HILL APPEARS TO BE CERTAIN

Grants Pass, Ore., March 14.—Victor M. Brown, of the Pittsburg-Oregon Mining company, left yesterday for Pittsburg and other eastern points in connection with the financing of the proposed smelter at Gold Hill.

The survey of the smelter sidetrack and building site has been completed and the company is now awaiting approval of the sidetrack survey on the part of the Southern Pacific company before starting the building of the spur. The new construction work will require a change in the highway leading to Sams Valley, and that matter is now before the Jackson county court for adjustment.

The proposed smelter is to be of 100 tons daily capacity to start with, provision being made so that additional capacity may be had with minimum amount of cost and time. A custom mill for handling ores that do not require smelting and a refinery and modern laboratory are included in the construction plans. It is anticipated that the smelter will be ready to blow in before the end of 1924.
