COTTAGE GROVE SENTINEL, THURSDAY, APRIL 3, 1924

What Is a BANK?

A modern bank is more than a depository for money; more than a place upon which to issue checks.

A modern bank is an institution of helpfulness to its depositors and clients. It is interested in seeing that they are prosperous and successful in their financial ventures.

Depositors who let us help them with advice born of long experience, can testify to the value of our service, LET US SERVE YOU.
