

Man of 74 Made Young in 3 Weeks by Simple Method

Former Kansas Contractor Tells of Wonderful Results From Testing Korex Compound.

Thomas J. Glascock.

Thomas J. Glascock, 74, well-known old time Kansas contractor, declares he has virtually been made young again by the recently discovered korex compound, which by many users is pronounced superior to "gland treatments," as an invigorator and revitalizer.

"I feel like I did at 35," says Mr. Glascock, "and seem to be getting stronger every day. During my three weeks' use of the new discovery, pains and weaknesses of many years' standing disappeared almost magically. Today I am as vigorous and supple as I was in the prime of life. Furthermore, when I began using the compound, my memory was virtually gone and I was almost blind. Now my mind is clear and active and I can read the finest print without difficulty."

In order to find out whether the results were lasting, Mr. Glascock waited six months before reporting on his test of the discovery. On this point he says:

"Every passing day strengthens my conviction that my restoration is not only complete but permanent. I can't express the happiness this great discovery has brought to me. It has made me 'young' again."

Similar reports are being made almost daily. For instance, D. W. Wood, of New Orleans, past 60 years of age, says: "The compound has brought me back to as good healthy physical condition as I enjoyed at 35. I am apparently as supple as at 25 and my eyesight is better than for years. I would not take \$5000 for what the discovery has done for me."

The compound referred to by Mr. Glascock and Mr. Wood is put up in tablets for easy use at home by

anyone. It has won the praise of thousands who have suffered from nervous exhaustion, diminished or depleted vigor, neurasthenia, premature age and lack of animation and vital force. Elderly people have pronounced it a "fountain of youth."

Prepared especially for acting directly on lower spinal nerve centers and blood vessels gratifying benefits are known usually in a few days, according to thousands who have used it. Enthusiastic reports from users acclaim the compound as giving speedy satisfaction in obstinate cases that had defied all other treatments previously used.

Realizing that thousands of enfeebled, half-alive folks may consider such news "too good to be true," the American distributors of korex compound have arranged for sale in Cottage Grove at Kem's for Drugs. Just ask for korex.

LONDON.

(Special to The Sentinel.)
March 31.—Miss Dolly Newton received a pair of Muskova ducks last Monday from her brother Bryan, who is in California.

A horse hitched to a light market wagon belonging to Elmer Berggren became frightened Wednesday evening and ran away. No damage was done.

Cecil Geer arrived Monday from Rainier, Wash., and is staying at the home of his brother Joe until the arrival of his parents, Mr. and Mrs. Levi Geer, former residents, who will again make this their home. Cecil started to school Monday.

Several friends and members of the church gathered at the home of Mr. and Mrs. Howard Cox Friday evening for singing practice in preparation for the protracted

meetings which will begin in May. They will meet at the same place Friday evening.

Mrs. Harold Abeene was in Cottage Grove Thursday having dental work done.

Friends of Miss Minnie Rice have received word of her death, which occurred in Portland a few weeks ago. Miss Rice, whose home was in Oakland, camped here several weeks last summer with her sister, Mrs. Tostiven, and made many warm friends.

Word was received this week from Mrs. R. E. Foreman, who has been visiting in Salem several weeks, that she has gone to Yacolt, Wash., to visit a son.

Miss Hazel Thorn and Walter Murry attended the Christian Endeavor convention at Pleasant Hill Sunday.

The W. Y. Townsend family, Mr. and Mrs. Harold Abeene and little daughter and Charlie Wickson spent Sunday with Mr. and Mrs. J. E. Banton.

George Sutherland and Howard Cox were on the sick list Sunday.

Mrs. Harold Abeene took her little daughter to Cottage Grove Saturday to consult a physician. She was accompanied by her parents, Mr. and Mrs. J. E. Banton.

Getting Ahead
By B. C. FORBES, Editor Forbes Magazine
Reprinted by Courtesy

To have a happy home, save.
And when you have saved, be sure to use the money, be sure to invest the money in a way that will bring you in a good amount of interest or dividends every year.
The best plan is to invest your money as near home as possible and in some Company you know about.
A very large number of householders are now investing in the securities of their local electric or gas company.
This is sensible.
Keep your savings safe in your home community.
Keep home dividends at home.

OUR 7% GOLD NOTES WILL HELP YOU GET AHEAD

The monthly payment plan makes you save. The good rate of interest increases your money and the steady earnings of this company insure your investment. Be one of our large family of investors.

MOUNTAIN STATES POWER CO.

To EVERY VOTER

Here's a Vital Question
?

It is the building of the highway bridge at Harrisburg. This question is vital to Lane county citizens because Lane county will benefit most and it will cost her less in proportion to her assessed valuation. The highway commission pays for a third of the bridge, Linn county voted bonds last November to pay for its third, and now Lane county must pay for its third—and the only way is through a special tax levy of two mills, and at the May primaries you will be asked to vote that two-mill tax. This tax will raise the \$70,000 which is a third of the cost of the bridge and 1100-foot trestle.

PAVING COMES FREE

When the contract for the bridge is let the Highway Commission will ask for bids on the four-mile strip of paving between Junction City and the bridge, the grade for which has nearly all been completed and in use for almost two years. The balance will be completed at once. This paving is to be done almost entirely at the expense of the state and the funds to do it are laid aside for that purpose.

LANE COUNTY GETTING OFF EASY

The bridge is to be of the best type and when completed will afford passage across the Willamette at all but the very highest floods. More than 1100 feet of trestle will be built in Lane county and our people will have to pay only one-third of its cost, as well as one-third of the bridge. This is certainly giving to Lane county a fair deal.

PRIMARIES MAY 16

Talk this over with your neighbors and ask them to come to the polls to vote for this tax—just two mills—on primary day. It will be those who stay at home who might defeat the measure, feeling sure it will carry. But the project is so important that no one who believes in progress can afford to take a chance. That is why we have organized—although we do not know of any real opposition—to place this important matter before you in this way.
