Announcement!

I wish to announce that I have sold the service station and shop departments of the business which I have operated for five years and to thank the friends and patrons for the pleasant business relations we have had during that time.

I am not leaving Cottage Grove. My home is here and I shall continue in business here at the same place, having retained for myself the sales agencies for the Dodge, Overland and Willys-Knight automobiles.

My successor, W. M. Hall, recently of Portland, has had years of experience in the automobile business. He will conduct the business in much the same manner which has won for us a reputation for service and quality mechanical work. Your courtesies toward him will be appreciated by myself as well as by Mr. Hall.

N. J. NELSON JR.

INVITATION TO PUBLIC

To the friends and patrons of Nelson's Service Station, which through five years of business in Cottage Grove has established itself as a firm of trust and service, I extend the wish that the same pleasant relationship built up by Mr. Nelson may continue under the new management. However, we do not intend to stand entirely upon the reputation for service which the name Nelson's Service Station has come to mean but we intend to maintain the same standard of efficiency in the work which our shop turns out.

We are to continue the service station and shop repair branches of the business in the same location and will appreciate a chance to demonstrate our quality work. If you have no work to be done call in anyway and get acquainted. We are going to make our home in Cottage Grove and we want to get acquainted as quickly as possible.
