

## Facts, Not Dreams

You don't have to take chances or lose money to learn how to invest your savings safely. It's a matter of dealing with facts, not placing your money on a get-rich-quick dream.

Money you have earned or which has been left to you can be invested to provide a future income, through our Investment Service.

Our experience in making sound, profitable investments is at your disposal. Every security we offer has been carefully chosen, with an eye to safety.

Barber work in general, special attention to children.

Main P. S. Bukowski Prop.

## Is it the best in automobiles, mileage in tires, something necessary or nifty in an accessory, or expert repair work?

In any of these cases, this is the place.

The two famous cars—the bright little Star—the moderate-priced heavy duty car—the Studebaker—the kind used by many who could afford to pay more but see no need to do so in order to get all that could be expected in a classy, roomy, high-powered machine.

Federal and Pennsylvania tires—none wear longer or give better service.

Prest-O-Lite batteries—the kind that are always ready to turn 'er over, low on upkeep and long on service.

Many automotive necessities and convenient accessories on hand always. Others gotten upon short notice.
