

MARKING ARMISTICE DAY

To World War veterans and other people alike, November 11th brings a stirring memory of triumph that crowned service of the highest order. Armistice Day is a day of rejoicing—it is a day when each one of us gives thanks for the brave men who brought it back.

Armistice Day brings an obligation, too—to prove worthy of the victory won by those millions who fought so well.

As we pause in tribute to the dead, let each one resolve to commemorate their sacrifice by preserving inviolate the opportunities and security we enjoy.
