The Hand of Fellowship

is extended to you. The business and professional interests of Cottage Grove want you to grasp it. Feel the strength of its Sincerity and Eagerness to satisfy. Learn of its actions in moulding this—our town—into a greater and more enterprising community.

It's that hand of Fellowship, of Welcome, of Ambition and determination which has done so much in contributing to the welfare of our community.

Just think of the civic development that has been ours—thanks to the loyalty and broad-mindedness of our local commercial interests.

What motive prompted it? Certainly not conceit nor selfishness. Just one noble purpose was in back of it all—that of contributing to YOUR happiness, YOUR welfare!

Then—think of the Spirit that has built these many improvements. How unhesitatingly the business and professional men of this town have come forward with financial aid—often when they could least afford it. Yet, they did it with a generous heart and a cheerful smile. That's the spirit which has made Cottage Grove so progressive.

All those interests ask in return is your COOPERATION in building an even BRIGHTER FUTURE for this community.
