HERE'S PROSPERITY CREED OFFERED FOR THIS YEAR

I will vote at every election, trying first to inform myself on the candidates and the questions to be voted upon. I will try to buy stock in some local industry or utility serving my own locality and help it to build up payrolls and values and sobriety in my home town. I will obey the laws as they are written; it may be offensive to my neighbor for me to dodge taxes or make booze or exceed the speed laws as it is to me for him to rob or burn or violate my home.

I will work at my job as though I believed in it. I will try to make my street the best street in town. I will practice the belief that prosperity and good government and neighborly love is here now, and to stay, if I will but accept and live it.
