

“Content’s a Kingdom”

—Thomas Heywood

Every citizen of Cottage Grove should possess it. For, are not the Prosperity, Progress and general Welfare of a great Community best reflected in the **CONTENTED DISPOSITIONS OF ITS RESIDENTS?**

Put yourself in the place of the visitor within our gates. If he’s of the type who judge as they pass—and most of them do—he’ll formulate his opinion of us and our town by the welcome he receives, the friendliness he observes about him, the neighborliness of our citizens—the state of **CONTENTMENT** we show.

So go about with a friendly smile—one that you really mean. Speak a word for Cottage Grove whenever the opportunity presents itself. Do a kind deed for your neighbor now and then and he’ll do as much for you. Make the visitor feel at home by imparting what information you can with a cheerfulness that bespeaks your **CONTENTMENT** in living in this great community.

Surely, you have every reason in the world to be **CONTENT** here. Your interests, both commercial and social, are here. Our resources are just beginning to be developed. And yours are the countless opportunities to make this a better place in which to live and enjoy life to its fullest extent.

We, the undersigned professional and business interests believe that the happy, **CONTENTED** citizen is a better Advertisement for Cottage Grove than the biggest billboard on earth could be.
