MOTHERS

Important!

Mothers should see that the whole family takes a thorough, purifying system cleansing laxative this spring. NOW IS THE TIME. The family will be healthier, happier, and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter accumulated in the system, driven away. HOLLISTER'S ROCK MOUNTAIN TEA is one of the very best and surest spring medicines to take. Try it and see the difference in the whole family. Their color will be better, they'll eat better, sleep better, and be well and happy.—Kem's for Drugs. (mT)
