Notice to Registered Voters!

The County Clerk's Office foree has completed checking by precincts the names of registered voters who have failed to vote in the precinct during the years 1923 and 1924. Postal card notices have been mailed to such voters calling attention to their failure to vote in the said period and asking them to reinstate their registration if desired, and that otherwise their registration will be cancelled. In many cases the person notified may be regularly voting in some precinct in the County other than the one referred to in the notice, and in such case will be continued in the precinct where voting, but dropped in the old precinct. The address on the postal card will usually indicate the precinct where cancellation is to be made.

Where any doubt exists in the mind of the voter as to his proper registration, it will be well to check up at the Clerk's office. The desire of the County Clerk's office is to clear the files of duplications, which the law requires to be done, and we will gladly give attention to any corrections or reinstatements which may be requested. Registration for voters is possible at all times except thirty days prior to elections.
