### WHAT MY NEIGHBOR SAYS

Is of Interest to Cottage Grove Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Cottage Grove resident. Who could ask for a better example?

A. Rogers, retired farmer, 706 Chestnut Ave., says: "I have taken Doan's Pills off and on for several years and they have always done good work. I was subject to kidney troubles and at times I had difficulty retaining the kidney secretions. Doan's Pills have always regulated my kidneys."

EXACTLY FOUR YEARS LATER Mr. Rogers said: "Doan's Pills have always helped me when I needed them."
